

New England Image

John R. Stilgoe

New England Image:

The New England Image. [With Illustrations]. Samuel Chamberlain, 1960 Landscape and Images John R. Stilgoe, 2015-02-12 John Stilgoe is just looking around This is more difficult than it sounds particularly in our mediated age when advances in both theory and technology too often seek to replace the visual evidence before our own eyes rather than complement it We are surrounded by landscapes charged with our past and yet from our earliest schooldays we are instructed not to stare out the window Someone who stops to look isn't only a rarity he or she is suspect Landscape and Images records a lifetime spent observing America's constructed landscapes Stilgoe's essays follow the eclectic trains of thought that have resulted from his observation from the postcard preference for sunsets over sunrises to the concept of teen geography to the unwillingness of Americans to walk up and down stairs In Stilgoe's hands the subject of jack o lanterns becomes an occasion to explore centuries old concepts of boundaries and trespassing and to examine why this originally pagan symbol has persisted into our own age Even something as mundane as putting the cat out before going to bed is traced back to fears of unwatched animals and an untended frontier fireplace Stilgoe ponders the forgotten connections between politics and painted landscapes and asks why a country whose vast majority lives less than a hundred miles from a coast nonetheless looks to the rural Midwest for the classic image of itself At times breathtaking in their erudition the essays collected here are as meticulously researched as they are elegantly written Stilgoe's observations speak to specialists whether they be artists historians or environmental designers as well as to the common reader Our landscapes constitute a fascinating history of accident and intent The proof says Stilgoe is all around us **The New England Image** Samuel Chamberlain, 2013-05-16 For those who love New England here is a matchless portrait by one of its most distinguished artists and observant admirers Samuel Chamberlain photographed New England for more than forty years examining it from every angle and capturing its unique spirit and enduring character with the lens of his camera The image Mr Chamberlain presents here is a distillation of his finest photographs of New England From tall church spires rising above village greens to white farmhouses secluded beaches and historic harbors Chamberlain reveals the secret of New England's enduring beauty strength and pride The Geographical Imagination of Annie Proulx Alex Hunt, 2010-11-23 This highly readable edited collection focuses on the work of Pulitzer Prize winning author Annie Proulx Each contributor to this volume explores a different facet of Proulx's striking attention to geography place landscape regional environments and local economies in her writing Covering all of her novels and short story collections scholars from the United States Canada and abroad engage in critical analyses of Proulx's new regionalism use of geographical settings and themes of displacement and immigration Taken together these essays demonstrate Annie Proulx's contribution to new regionalist understandings of place on local national and global scales Readers will come away with a better understanding of Proulx's particular landscapes particularly those of Wyoming New England Texas and Newfoundland and the issues surrounding the significance of these regions in

Noreen Finneran,2015-07-21 A genealogical snapshot of over one hundred veterans of the Spanish American War from Company L Fifth Regiment MA Volunteer Infantry 1898 out of Malden MA USA Surnames BACON BAKENHUS BARNES BELL BERG BLADES BLOOMER BOOTH BRACKETT BRIGGS BROMAN BUCKLEY BURNHAM CARPENTER CARRAGHER CARTER CAVILLE COFREN CRANE CUTTING DALTON DAMMERS DANIELS DYER FALL FELDERMANN FROST FUNK GERTZ GILMORE GROSSER HANNA HARDENBROOK HAVERSTOCK HENDERSON HEWITT HIRTLE HOLLIS HOLMES HOUDE KELLEY KENNEDY KEOUGH LABELLE LACASS LAWLER LOONEY LORING LUTES LUTZ LYONS MACY MAHER MAHONEY MANN MCALLISTER MCGINNISS MCKEE MCLAUGHLIN MILLER MITCHELL MIXTER MURPHY NICHOLS PARKER PEDLAR PERCY PERKINS QUINN RAND REIDY RICHARDS RILEY RIPLEY ROBY ROCKWOOD SALLENGER SHORT SILVA SMALLE SMITH SPOFFORD STEELE STRACHAN SWEETSTER TAYLOR THOMPSON TOLMAN TUCKER TWISS ULM VOS BURGH WHITE WILLIAMS WILSON WOODBERRY WOODS **A Companion to the Regional Literatures of America**

Charles L. Crow,2008-04-15 The Blackwell Companion to American Regional Literature is the most comprehensive resource yet published for study of this popular field The most inclusive survey yet published of American regional literature Represents a wide variety of theoretical and historical approaches Surveys the literature of specific regions from California to New England and from Alaska to Hawaii Discusses authors and groups who have been important in defining regional American literature **Pumpkin**

Cindy Ott,2012-12-01 Why do so many Americans drive for miles each autumn to buy a vegetable that they are unlikely to eat While most people around the world eat pumpkin throughout the year North Americans reserve it for holiday pies and other desserts that celebrate the harvest season and the rural past They decorate their houses with pumpkins every autumn and welcome Halloween trick or treaters with elaborately carved jack o lanterns Towns hold annual pumpkin festivals featuring giant pumpkins and carving contests even though few have any historic ties to the crop In this fascinating cultural and natural history Cindy Ott tells the story of the pumpkin Beginning with the myth of the first Thanksgiving she shows how Americans have used the pumpkin to fulfill their desire to maintain connections to nature and to the family farm of lore and ironically how small farms and rural communities have been revitalized in the process And while the pumpkin has inspired American myths and traditions the pumpkin itself has changed because of the ways people have perceived valued and used it Pumpkin is a smart and lively study of the deep meanings hidden in common things and their power to make profound changes in the world around us The Image Is Everything

Presidency Gilbert St. Clair,2018-03-09 Image is everything Today our television and movie stars our athletes and our

politicians carefully craft images for public consumption Even our country s Executive Chief is not immune to a bit of image manipulation If presidents can not always actually satisfy the public s excessive contradictory and unrealistic expectations they can at least present a compelling image of presidential leadership and success When it comes to the modern presidency tennis star Andre Agassi was correct Image is everything Image creation is a serious business with critically important implications for the success of any politician But presidents must be careful in deciding how they craft the ways in which we perceive them If they are to succeed presidents must present an appropriate image of leadership to the American people an image that is appropriate for the particular needs of the time when the president governs and is appropriate to the personality of that president Their ultimate goal is to convince the public that they are actually providing leadership even if in reality they have only a limited ability to effect outcomes This book examines the way American presidents in the media age have shaped their public personas as a means of cultivating and advancing their political and ideological agendas Images play an important role in the perceived success or failure of our presidents Since public expectations are most often aimed directly at the White House and its central occupant it is more important than ever that a president control his image as well as presenting the right image to the American public Reality thus becomes secondary and image is everything

The Enthralling Realm of Kindle Books: A Detailed Guide Revealing the Advantages of Kindle Books: A Realm of Convenience and Versatility Kindle books, with their inherent mobility and simplicity of availability, have liberated readers from the constraints of physical books. Gone are the days of lugging bulky novels or carefully searching for particular titles in bookstores.
