an expression of God's wrath against human beings who live their lives as if creation is a battle zone where only the selfish and powerful flourish Matthew's Jesus is outraged at the lethargy and apathy that permits non poor people to live according to practices that lead so many to be excluded from the fruits of God's creation But the Jesus found in this gospel is also one who teaches that God has created a world that is good to see it is abundant as long as people live according to the dynamic order God has inwardly established in creation one rooted in generosity hospitality love self sacrifice righteousness justice Torah and mercy *The British National Bibliography* Arthur James Wells,2006
