New Essays on Poe's Major Tales, 2000 *New essays on Poe's major tales* ANON., 1993 New essays on Poe's major tales, 1993 **Affective Worlds** John Hughes, 2011 Offers an original approach to a number of nineteenth century authors in terms of what are seen as the constitutive affective dynamics of their work The author also draws on themes of ethical subjectivity in the work of Stanley Cavell and Gilles Deleuze to provide essential reading for those involved in nineteenth century literature The Fall of the House of Poe Phillip Roderick, 2006 Why was Edgar Allan Poe unable to form either emotional or sexual bonds with the women in his life Why did he worship at the grave of his friend's mother a woman he may have loved but who he could have never been intimate with Why did he marry his 13 year old cousin and what impact did her tragic death have on his literary creations Why do the female characters in his short stories endure disturbingly sadistic punishment and torture at the hands of an almost overtly mad husband or acquaintance Through both a feminist and psychoanalytic analysis The Fall of the House of Poe attempts to explain Poe's morbid treatment of the female characters in his short stories by examining his own disturbingly tragic experiences with women throughout his short life Ultimately this book elucidates unequivocally the acute psychological motivations for Poe's profoundly psychoanalytic tales of horror and imagination **Poe, Queerness, and the End of Time** Paul Christian Jones, 2022-05-16 This book builds upon recent theoretical approaches that define queerness as more of a temporal orientation than a sexual one to explore how Edgar Allan Poe's literary works were frequently invested in imagining lives that contemporary readers can understand as queer as they stray outside of or aggressively reject normative life paths including heterosexual romance marriage and reproduction and emphasize individuals' present desires over future plans The book's analysis of many of Poe's best known works including The Raven The Fall of the House of Usher The Black Cat The Masque of the Red Death and The Murders in the Rue Morgue show that his attraction to the liberation of queerness is accompanied by demonstrations of extreme anxiety about the potentially terrifying consequences of non-normative choices While Poe never resolved the conflicts in his thinking this book argues that this compelling imaginative tension between queerness and temporal normativity is crucial to understanding his canon A Historical Guide to Edgar Allan Poe J. Gerald Kennedy, 2001 This guide contains an introduction that considers the tensions between Poe's otherworldly settings and his historically marked representations of violence as well as a capsule biography situating Poe in his historical context *The Cambridge Companion to Edgar Allan Poe* Kevin J. Hayes, 2002-04-25 This collection of specially commissioned essays by experts in the field explores key dimensions of Edgar Allan Poe's work and life Contributions provide a series of alternative perspectives on one of the most enigmatic and controversial American writers The essays specially tailored to the needs of undergraduates examine all of Poe's major writings his poetry short stories and criticism and place his work in a variety of literary cultural and political contexts They situate his imaginative writings in relation to different modes of writing humor Gothicism anti-slavery tracts science fiction the detective story and sentimental

fiction Three chapters examine specific works The Narrative of Arthur Gordon Pym The Fall of the House of Usher The Raven and Ulalume The volume features a detailed chronology and a comprehensive guide to further reading and will be of interest to students and scholars alike
