New Macchiavelli:

The New Macchiavelli H. G. Wells, 2009-08 Purchase of this book includes free trial access to [www million books com](http://www.millionbooks.com) where you can read more than a million books for free This is an OCR edition with typos Excerpt from book CHAPTER THE FOURTH ADOLESCENCE 1 I Find it very difficult to trace how form was added to form and interpretation followed interpretation in my ever spreading ever deepening ever multiplying and enriching vision of this world into which I had been born Every day added its impressions its hints its subtle explications to the growing understanding Day after day the living interlacing threads of a mind weave together Every morning now for three weeks and more for to day is Thursday and I started on a Tuesday I have been trying to convey some idea of the factors and early influences by which my particular scrap of subjective tapestry was shaped to show the child playing on the nursery floor the son perplexed by his mother gazing aghast at his dead father exploring interminable suburbs touched by first intimations of the sexual mystery coming in with a sort of confused avidity towards the centres of the life of London It is only by such an effort to write it down that one realises how marvellously crowded how marvellously analytical and synthetic those ears must be One begins with the little child to whom the sky is a roof of blue the world a screen of opaque and disconnected facts the home a thing eternal and being good just simple obedience to unquestioned authority and one comes at last to the vast world of one s adult perception pierced deep by flaring searchlights of partial understanding here masked by mists here refracted and distorted through half translucent veils here showing broad prospects and limitless vistas and here impenetrably dark I recall phases of deep speculation doubts and even prayers by night and strange occasions when by a sort of hypnotic contemplation of nothingness I sought to pierce the web of appearances about me The New Machiavelli H.G. Wells, 2018-04-05 Reproduction of the original The New Machiavelli by H G Wells

The New Machiavelli (Annotated) H. G. Wells, 2016-05-10 The New Machiavelli is a 1911 novel by H G Wells that was serialized in The English Review in 1910 Because its plot notoriously derived from Wells s affair with Amber Reeves and satirized Beatrice and Sidney Webb it was the literary scandal of its day

The New Machiavelli Jonathan Powell, 2010-10-31 The New Machiavelli is a gripping account of life inside the bunker of Number 10 In his twenty first century reworking of Niccolo Machiavelli s influential masterpiece The Prince Jonathan Powell Tony Blair s Chief of Staff from 1994 2007 recounts the inside story of that period drawing on his own unpublished diaries Taking the lessons of Machiavelli derived from his experience as an official in fifteenth century Florence Powell shows how these lessons can still apply today Illustrating each of Machiavelli s maxims with a description of events that occurred during Tony Blair s time as Prime Minister The New Machiavelli is designed to be The Prince for modern times *The New Machiavelli* H Wells, 2021-08-30 The new machiavelli From H G Wells **The New Machiavelli** H. G. Wells, 2019-09-04 As H G Wells sat down to write he realised with almost shuddering accuracy that he had reached the exact same age as Machiavelli was when he fell from politics and wrote of the restlessness of his spirit And it was this same restless passion

that compelled H G Wells to write a similar book Thinking further he unearthed yet more striking parallels of his life and that of Machiavelli and this served as a unique inspiration for The New Machiavelli The result is an inspired and remarkable work of sheer creative genius

The New Machiavelli H. G. Wells,2017-09-27 The New Machiavelli purports to be written in the first person by its protagonist Richard Dick Remington who has a lifelong passion for statecraft and who dreams of recasting the social and political form of the English nation Remington is a brilliant student at Cambridge writes several books on political themes marries a wealthy heiress and enters parliament as a Liberal influenced by the socialism of a couple easily recognizable as the Webbs only to go over to the Conservatives Remington undertakes the editing of an influential political weekly and is returned to parliament on a platform advocating the state endowment of mothers but his career is wrecked by his love affair with a brilliant young Oxford graduate Isabel Rivers

Machiavelli's Politics Catherine H. Zuckert,2017-04-25 Machiavelli is popularly known as a teacher of tyrants a key proponent of the unscrupulous Machiavellian politics laid down in his landmark political treatise The Prince Others cite the Discourses on Livy to argue that Machiavelli is actually a passionate advocate of republican politics who saw the need for occasional harsh measures to maintain political order Which best characterizes the teachings of the prolific Italian philosopher With Machiavelli s Politics Catherine H Zuckert turns this question on its head with a major reinterpretation of Machiavelli s prose works that reveals a surprisingly cohesive view of politics Starting with Machiavelli s two major political works Zuckert persuasively shows that the moral revolution Machiavelli sets out in The Prince lays the foundation for the new form of democratic republic he proposes in the Discourses Distrusting ambitious politicians to serve the public interest of their own accord Machiavelli sought to persuade them in The Prince that the best way to achieve their own ambitions was to secure the desires and ambitions of their subjects and fellow citizens In the Discourses he then describes the types of laws and institutions that would balance the conflict between the two in a way that would secure the liberty of most if not all In the second half of her book Zuckert places selected later works La Mandragola The Art of War The Life of Castruccio Castracani Clizia and Florentine Histories under scrutiny showing how Machiavelli further developed certain aspects of his thought in these works In The Art of War for example he explains more concretely how and to what extent the principles of organization he advanced in The Prince and the Discourses ought to be applied in modern circumstances Because human beings act primarily on passions Machiavelli attempts to show readers what those passions are and how they can be guided to have productive rather than destructive results A stunning and ambitious analysis Machiavelli s Politics brilliantly shows how many conflicting perspectives do inform Machiavelli s teachings but that one needs to consider all of his works in order to understand how they cohere into a unified political view This is a magisterial work that cannot be ignored if a comprehensive understanding of the philosopher is to be obtained

Machiavelli in America Thomas Block,2014-03-01 Machiavelli advised us that people are so mean small and selfish that they will only act under necessity so the successful prince must

force the population through whatever means necessary to follow his dictates This book traces the influence of the Florentine thinker on American politics from the Founders c 1770s through today s rough and tumble political panorama Machiavelli s ideas have been re interpreted internationally as real politik He proposed that the ends justify the means and that any manner of fraud violence or corruption must be utilized in attaining and retaining power He maintained that the most powerful form of fraud was the appearance of religiosity and said that the successful prince must hold no art higher than that of war In this disturbing erudite and highly readable book America is shown to be a surprising example of Machiavellian politics utilizing all of the post modern methods of information distribution and legal fraud and corruption Lee Atwater Karl Rove George W Bush the Supreme Court s Citizens United v the Federal Election Commission 2010 and the Super PACs it spawned the massive amounts of money power s master key the intermingling of the language of religion and war and the 90% negative advertising of the 2012 Presidential campaign channeling Machiavelli s dictum that the adversary must be assassinated though in contemporary America by character assassination and even Barack Obama s Machiavellian machinations are looked at in light of the Renaissance political philosopher s ideas The last section of the book offers a response to this with a specific implementable program that will begin to devolve the power of American democracy back to the people The New Machiavelli Herbert G. Wells,1911
