Christianizing South China Joseph Tse-Hei Lee, 2018-03-23 Christianity flourishes in areas facing profound dislocations amidst regime change and warfare This book explains the appeal of Christianity in the Chaozhou Shantou Chaoshan region during a time of transition from a stage of disintegration in the late imperial era into the cosmopolitan and entrepreneurial area it is today The authors argue that Christianity played multiple roles in Chaoshan facilitating mutual accommodations and adaptations among foreign missionaries and native converts The trajectory of Christianization should be understood as a process of civilizational change that inspired individuals and communities to construct a sacred order capable of empowerment in times of chaos and confusion

Sanctified Sisters Jenny Wiley Legath, 2019-10-22 The first history of the deaconess movement in the United States In the late nineteenth century a new movement arose within American Protestant Christianity Unsalaries groups of women began living together wearing plain dress and performing nursing teaching and other works of welfare Modeled after the lifestyles of Catholic nuns these women became America's first deaconesses Sanctified Sisters the first history of the deaconess movement in the United States traces its origins in the late nineteenth century through to its present manifestations Drawing on archival research demographic surveys and material culture evidence Jenny Wiley Legath offers new insights into who the deaconesses were how they lived and what their legacy has been for women in Protestant Christianity The book argues that the deaconess movement enabled Protestant women particularly single women to gain power in a male dominated Protestant world They created hundreds of new institutions within Protestantism and created new roles for women within the church While some who study women's ordination draw a

line from the deaconesses work to the struggle for women's ordination in various branches of Protestant Christianity Legath argues that most deaconesses were not interested in ordination Yet while they didn't mean to they did end up providing a foundation for today's ordination debates Their very existence worked to open the possibility of ecclesiastically authorized women's agency The Covenantal Life Sarah Ivill,2018-12-02 Today many of us have lost our appreciation of the beauty of covenant theology and covenant community and this has had dire consequences for us resulting in misunderstandings of theology and individualism and isolationism in the church Author Sarah Ivill believes that a key solution to this problem is a robust understanding of covenant theology which will deepen our knowledge of Scripture and enable us to truly serve our sisters by pointing them to Christ In The Covenantal Life the author clearly and concisely sets forth the beauty of covenant theology and covenant community and encourages us to learn sound doctrine so that we can think biblically about the circumstances in our lives and then help our sisters in Christ to do so as well Annual Report of the American Bible Society American Bible Society,1927 Together with a list of auxiliary and cooperating societies their officers and other data

Corrupted Freedom Joe Wilmoth,2013-02-27 Drawing upon a lifetime of experience as a highly successful businessman grounded in the powerful Judeo Christian principles he holds most dear the author's near death experience moved him to express his concerns for our nation He explains why your involvement combined with a Christian perspective is necessary for our return to a true republic under God with liberty justice and opportunity for all He identifies and addresses the major problems we face and suggests a course of action designed to return our country to the shining city on a hill that once it was Our nation has changed dramatically Some changes have been for the better but many have been appalling We are rapidly losing our freedoms and the opportunities for success that once existed in America Young people today have far less opportunity for success than did their parents and grandparents Continual interference by an all intrusive government in the lives of citizens and the growing rejection of our being one nation under God have seriously wounded our nation and threatened our very survival Bible Society Record American Bible Society,1860 *Our Sister Beatrice* Beatrice Julian Allen,Grace Grier,1907 **Pearls from the Deep; comprising the remains and reminiscences of two Sisters ...**
