**Radical Irish Priests, 1660-1970** Gerard Moran,1998 This collection of essays investigates instances of radicalism in the Catholic church in Ireland between 1660 and 1970 The subject is examined through the lives of nine clerics who came into conflict with Church and state authorities on political and social issues The clerics studied here were all prominent figures at local or national level and two of them were executed in the eighteenth century *Irish Priests; their education, characters, and conduct, considered, particularly with reference to their effects upon the civilization and unanimity of Ireland, etc* IRISH PRIESTS,1821 *The Irish Priests in the Penal Times (1660-1760) From the State Papers in H.M. Record Offices, Dublin & London, the Bodleian Library, & the British Museum, by Rev. William P. Burke* William P. Burke,1914

**The Irish priests in the penal times, 1660-1760** William P. Burke,1914 **Unusual Suspects** Denis Carroll,1998 This book is a fascinating study of radical clergymen in Ireland from different traditions and varying times In ten chapters we meet Presbyterian Catholic and Church of Ireland clergy who spoke for inclusion of all people in an Ireland free of sectarian hatreds and economic oppressions Their honesty incurred trouble for themselves not only with civil authorities but also with vested interests in their churches Their thought ranges from theology to social analysis Many of them offered an Irish political theology every bit as radical as liberation theology today The book accompanies the reader through dramatic periods of Irish history the United Irishmen the relapse into sectarian difficulties of the early 18th century the Famine the re emergence of Irish separatism from the late 1860s and the foundations of a partitioned Ireland Denis Carroll is an historian and theologian **The Irish Priests in the Penal Times (1660-1760)** William P. Burke,1969 **Priests and People in Ireland** Michael John Fitzgerald McCarthy,1912 *A Patriot Priest* James Coigly,1998 James Coigly a Catholic priest from Armagh was hanged for high treason in 1798 Despite his protestations of innocence is this posthumous memoir Coigly had been deeply involved with the United Irishmen since 1791 In this first modern edition of this unique document Coigly s sometimes disingenuous account of his political career is set against the latest research on the evolution of the United Irish Conspiracy **Come forward! A letter to the Roman Catholic Priests of Ireland** Clergy, Roman Catholic (IRELAND),1855 *An Irish Tragedy* Joe Rigert,2008 The story of how Irish immigrants helped to build the American Catholic Church is well known But the sad tale of how Irish priests later undermined the Church has gone untold until now Investigative reporter Joe Rigert s search for the roots of the Catholic sex abuse scandals led him to Ireland There he found that rigid sexual repression in both society and the priesthood had the opposite of its intended effect fostering bizarre and criminal sexual expression Though a tiny country Ireland has been a chief exporter of abusers to America The cases Rigert documents range from a priest who as a youth was molested by priests in Ireland and then went on to abuse up to 50 girls and boys in America to a bishop who had never dated a girl in his home country and later turned to boys for sexual satisfaction in an American seminary Ultimately Rigert reveals that abuse by Irish priests mirrors a sexual disorder in the

Vatican itself The late Pope John Paul II looked to Ireland to maintain his strict view on sexual morality but could not enforce it even in his own nation state P 4 of cover A Reply to a Malignant and Slandorous Pamphlet Entitled 'Irish Priests'.
