Seventh Day Adventists Melanesian cargo cults David Koresh's Branch Davidians and the Raelian UFO religion would seem to have little in common. What these groups share however is a millennial orientation: the audacious human hope for a collective salvation which may be either heavenly or earthly. Mawdudi and the Making of Islamic Revivalism Seyyed Vali Reza Nasr, 1996-01-04 Nasr examines the life and thought of Mawlana Mawdudi, one of the first and most important Islamic ideological thinkers. Mawdudi was the first to develop a modern political Islamic ideology and a plan for social action to realize his vision. The prolific writings and indefatigable efforts of Mawdudi's party, the Jamaat-i Islami, first in India and later in Pakistan, have disseminated his ideas far and wide. His views have informed revivalism from Morocco to Malaysia. Nasr discerns the events that led Mawdudi to a revivalist perspective and probes the structure of his thought in order to gain fresh insights into the origins of Islamic revivalism. He argues that Islamic revivalism did not simply develop as a cultural rejection of the West; rather, it was closely tied to questions of communal politics and its impact on identity formation, discourse of power in plural societies, and nationalism. Mawdudi's discourse, though aimed at the West, was motivated by Muslim-Hindu competition for power in British India. His aim, according to Nasr, was to put forth a view of Islam whose invigorated, pristine, and uncompromising outlook would galvanize Muslims into an ideologically uniform and hence politically indivisible community. In time, this view developed a life of its own and evolved into an all-encompassing perspective on society and politics and has been a notable force in South Asia and Muslim life and thought across the Muslim world.

The Muslim Brotherhood Barbara Zollner, 2009-01-13 The Muslim Brotherhood is one of the most influential Islamist organisations today. Based in Egypt, its network includes branches in many countries of the Near and Middle East. Although the organisation has been linked to political violence in the past, it now proposes a politically moderate ideology. The book provides an in-depth analysis of the Muslim Brotherhood during the years of al-Hudaybi's leadership and how he sought to steer the organization away from the radical wing inspired by Sayyid Qutb into the more moderate Islamist organization it is today. It is his legacy which eventually fostered the development of non-violent political ideas. During the years of persecution, 1954 to 1971, radical and moderate Islamist ideas emerged within the Brotherhood's midst. Inspired by Sayyid

Qutb's ideas a radical wing evolved which subsequently fed into radical Islamist networks as we know them today Yet it was during the same period that al Hudaybi and his followers proposed a moderate political interpretation which was adopted by the Brotherhood and which forms its ideological basis today **David in the Muslim Tradition** Khaleel

Mohammed, 2014-12-24 In Chapter 38 21-25 the Qur'an relates a very short narrative about the biblical King David's seeking and receiving God's forgiveness The earliest Muslim exegetes interpreted the Qur'anic verses as referring to the Hebrew Bible's story of David's adultery with Bathsheba as related in 2 Samuel 12 1-13 Later Muslims however having developed the concept of prophetic impeccability radically reinterpreted those verses to show David as innocent of any wrongdoing since in the Muslim tradition he is not only a king but a prophet as well David in the Muslim Tradition The Bathsheba Affair outlines the approach of the Qur'an to shared scriptures and provides a detailed look at the development of the exegetical tradition and the factors that influenced such exegesis By establishing four distinct periods of exegesis Khaleel Mohammed examines the most famous explanations in each stratum to show the metamorphosis from blame to exculpation He shows that the Muslim development is not unique but is very much in following the Jewish and Christian traditions wherein a similar sanitization of David's image has occurred *Islam and Ideology in the Emerging Indonesian State* Howard M.
