Radical Psalmist:

The Conflict Between Faith and Experience, and the Shape of Psalms 73-83 Stephen J. Smith, 2022-06-16 Stephen J Smith enters the lively field of editorial criticism of the Hebrew Psalter or Psalterexegese with this detailed investigation into the final form of Psalms 73-83. In the book he engages scholarly disagreements over this collection's structure, the degree and nature of its literary unity, and the primary theological message it communicates. Smith argues that the sequence of Psalms 73-82 and possibly 83 has a deliberate design that reflects a sustained focus on addressing and resolving a multidimensional collision between faith, i.e. core Israelite beliefs about God, and experience, i.e. the individual community's lived experience of God that was precipitated by God's prolonged absence in the Temple's destruction c. 586-587 BCE. Parting ways with previous scholarship, Smith contends that a recursive organizing principle rooted in biblical parallelism structures the collection. Over the book's nine chapters, he makes the case that the editor's grouped its psalms into two major blocks, 74-78/79-82, of two sub-groupings each, 74-76/77-78/79-82/80-81, in order to develop a single topic in multiple dimensions: the severe threat that God's prolonged absence in the temple's destruction posed to the ongoing viability of various core Israelite beliefs about God; most fundamentally, God's goodness. Smith makes the case that the collection is shaped to resolve this crisis by bolstering the reader's confidence in and commitment to these beliefs in the face of their apparent failure. *Interpreting Proverbs*

11:18-31, Psalm 73, and Ecclesiastes 9:1-12 in Light Of, and as a Response To, Thai Buddhist Interpretations Kari Storstein Haug, 2012-03-19 This book argues that an approach to Buddhist-Christian dialogue where biblical texts are analyzed by placing Christian and Buddhist perspectives side by side is a method which provides a good platform for further in-depth dialogue. *Prophetic Song* Michael P. Kuczynski, 2016-11-11 A study of the Psalter's influence on the language of prescription and proscription, injunction, command, censure, reproof, and other ethical instruction in late medieval England, as well as exegesis and meditation that clearly had a homiletic or polemic bias. Among the themes is the distinction between the private and public use the Psalms were put to, and the deliberate blurring of that distinction to illustrate the unity between individual salvation and the reform of society. **Get Up Off Your Knees** Raewynne Whiteley, Beth Maynard, 2003-11-30 *Get Up Off Your Knees* is a thoughtful and provocative collection of sermons by a group of preachers from across the international church spectrum who have been moved to theological reflection on the art and work of U2. This book will appeal to fans of U2, students of homiletics, and everyone interested in the intersection of art, popular culture, and religion.

Wisdom Intoned Simon Chi-Chung Cheung, 2015-11-19 It has been hard to categorise and identify the Wisdom psalms within the Psalter. Interpreters have produced different lists of wisdom psalms of greatly varying lengths, and individual scholars often change their choices over time. Cheung re-examines the issues at stake in identifying this group of psalms in order to better describe the configuration of this psalmic genre. Past scholarship has failed to settle this issue because of the use of unfit criteria and an ill-understood concept of genre. With the aid of the concepts of family resemblance and prototypes

this book proposes to define wisdom psalms as a psalm family which is characterised by a wisdom oriented constellation of its generic features Three such features are identified after a fresh assessment of the most typical characteristics of wisdom literature This proposed method is put to test in the extensive study of seven psalms 37 49 73 128 32 39 and 19 and the three criteria are verified to be suitable descriptors of the wisdom psalm family Cheung also explores questions related to the wisdom cult disparity Joban parallels as wisdom indicators and the wisdom orientation of torah psalms **Finding God** Thomas Griffith Lewis,2002-01-01 In this small yet immensely helpful guide pastor Thomas Lewis offers spiritual resources for the many persons today suffering from depression By turning his readers toward praying the Psalms as he did in his own battle with depression Lewis assists those seeking hope and a healing touch to find in his words a cup of cold water in parched land He speaks frankly about his own battle with deep depression discusses the types of depression the symptoms and where to get help and then lays out several Psalms of lament that can support people in times of depression and form a foundation for all other approaches to treating the illness This book will prove to be an invaluable resource for those engaged in pastoral care and counseling for those who have loved ones suffering from depression and persons suffering from depression themselves The Destiny of the Righteous in the Psalms , **Called to Bless** Robert D. Cornwall,2021-09-29 What does your spiritual DNA look like In terms of your spiritual identity where do you come from and where are you going We live in an age when many Christians have experienced several denominational and religious communities Many wonder what to do with these experiences At the same time many congregations are made up of people who come from different traditions and the question is how to bring these diverse experiences into the life of the congregation in an enriching way If we take as our starting point the call of Abraham and Sarah to take a journey to an unknown land with the promise that their descendants would be a blessing to the nations what might this look like in terms of our spiritual lives Join with the author as he draws on his spiritual journey that has taken him into several denominational traditions as well as his experiences as a pastor and historical theologian to discern values and concepts that can help congregations and individuals make sense of their diverse spiritual experiences so that together we might fulfill the Abrahamic calling reaffirmed in Christ to be a blessing to the nations *Sing a New Song* Irene Nowell,1993 What happens to the Responsorial Psalm in the Sunday liturgy How can it help us pray the Sunday readings How can it help in planning the liturgy The Responsorial Psalm is the most neglected part of the Liturgy of the Word yet it can be the key to all the rest Its intent is to help bring the message of the other readings into our lives This book addresses the riches of the Responsorial Psalm for every Sunday of the three year cycle It explains the psalm genre offers exposition on the meaning and beauty of the psalm itself and comments on the relationship of the Responsorial Psalm to the other readings It is the book for anyone who wants to understand and appreciate the Sunday readings preachers catechists liturgists and all the people in the pews The Wiley Blackwell Companion to Wisdom Literature Samuel L. Ehle, Peg Ekerdt, Jean Marie Hiesberger, Biagio Mazza, Mary M. Mcglone, csj, Abbot Gregory J. Polan, osb, Denise Simeone, George Smiga, Paul Turner, 2018-03-25 This resource provides invaluable commentary on the Lectionary readings for Year B, including the Responsorial Psalm for Sundays, Holy Days of Obligation, and feasts and solemnities that may occur on a Sunday. Written in a pastoral tone, it offers historical critical background on each of the readings and underscores their relevance to life today. Thematically related quotations from major Church documents are included with each Scripture background to provide context and connections to Church teaching. Organized by the liturgical calendar, each season of readings begins with an overview of the season and a brief look at where the readings come from, and any unifying messages or themes present throughout the selected readings. *Scripture Backgrounds for the Sunday Lectionary, Year B* is written by a team of writers with a broad range of theological, pastoral, and catechetical experience. Their reflections offer homilists a solid foundation from which to begin the process of preparing to speak the Word of God to their assemblies.

Songs from a Strange Land John Goldingay, 2024-09-30 Most of Scripture speaks to us, while the Psalms speak for us. Most of Scripture tells us about God; the Psalms tell God about us, our feelings of rage, of pain, of gratitude, of praise. They express our human concerns and our requests of help. And they teach us how to talk to God. In this book, John Goldingay presents a fresh translation of each psalm, explains its meaning and background, and points out how its wisdom applies to contemporary life.

Lent Through Eastertide David L. Bartlett, Barbara Brown Taylor, 2010-10-01 Feasting on the Word offers pastors focused resources for sermon preparation, written by companions on the way. With four different essays on each of the four biblical texts assigned by the Revised Common Lectionary, this series offers preachers sixteen different ways into the proclamation of God's Word on any given occasion. For each reading, preachers will find brief essays on the exegetical, theological, homiletical, and pastoral challenges of the text. The page layout is unusual. By setting the biblical passage at the top of the page and placing the essays beneath it, we mean to suggest the interdependence of these four approaches without granting priority to any one of them. Some readers may decide to focus on the Gospel passage, for instance, by reading all four essays provided for that text. Others may decide to look for connections between the Hebrew Bible, Psalm, Gospel, and Epistle texts by reading the theological essays on each one. Wherever they begin, preachers will find what they need in a single volume produced by writers from a wide variety of disciplines and religious traditions. These authors teach in colleges and seminaries. They lead congregations. They write scholarly books as well as columns for the local newspaper. They oversee denominations. In all these capacities, and more, they serve God's Word, joining the preacher in the

ongoing challenge of bringing that Word to life We have been honored to work with a multitude of gifted thinkers writers and editors We present these essays as their offering and ours to the blessed ministry of preaching From the introduction by David L Bartlett Barbara Brown Taylor **Feasting on the Word: Year C, Volume 2** David L. Bartlett, Barbara Brown Taylor, 2009-10-12 With this new lectionary commentary series Westminster John Knox offers the most extensive resource for preaching on the market today When complete the twelve volumes of the series will cover all the Sundays in the three year lectionary cycle along with movable occasions such as Christmas Day Epiphany Holy Week and All Saints Day For each lectionary text preachers will find four brief essays one each on the theological pastoral exegetical and homiletical challenges of the text This gives preachers sixteen different approaches to the proclamation of the Word on any given occasion The editors and contributors to this series are world class scholars pastors and writers representing a variety of denominations and traditions And while the twelve volumes of the series will follow the pattern of the Revised Common Lectionary each volume will contain an index of biblical passages so that nonlectionary preachers as well as teachers and students may make use of its contents **Psalm Structures** Paul R. Raabe, 1990-11-01 This study identifies and describes the basic building blocks of a biblical psalm the levels of colon verse strophe and stanza In this study eleven psalms have been chosen with stanzas that are clearly demarcated by the presence of refrains Seven of these are analysed thoroughly Psalms 42 43 46 49 56 57 59 and another four more briefly Psalms 39 67 80 99 This is a timely and closely argued statement of the importance of integrating structure and content in one s interpretation of a psalm **Mourner, Mother, Midwife** L. Juliana M. Claassens, 2012-11-28 Traditional understandings of God as deliverer depict God as a mighty liberator warrior and wrathful avenger Juliana Claassens explores alternative Old Testament metaphors that portray God as mourner mother and midwife images that resist the violence and bloodshed associated with the dominant warrior imagery Claassens discusses how metaphors of God as life giver began to develop in the aftermath of the trauma of Israelite exile She offers compelling examples of how this feminine imagery still has the power to inspire hope amidst violence in today s world She demonstrates that God s delivering presence helps people of faith cope with trauma and suffering on many levels individual community national and global while bringing forth new life out of death and destruction
