Brisby, 2019-06-30 A woman's personal conviction to begin keeping the seventh day Sabbath in 1926 would challenge her husband to begin an intensive study to prove her wrong That study would spawn a new religious movement under Herbert W. Armstrong A fledgling group would form in 1934 and an audacious media operation would make the Radio Church of God later named the Worldwide Church of God grow by 30% per year over the next 35 years Proclaiming a unique understanding of the Bible traditional Christian orthodoxy would be challenged making that church most peculiar indeed Internal and external forces would alter Herbert Armstrong's view of his own mission and especially after Loma's death doctrinal and administrative turmoil would stagger the church for the rest of his life After his death in 1986 the empire would implode and successors would dismantle everything that the Armstrongs had built Was it all just a fantastic fraudulent escapade conceived by a lucky and opportunistic salesman or might it have

been a divine Work God's own peculiar treasure If it did begin with God's inspiration why and how did it all go so wrong Is there anything left of it today that has any redeeming value These are the questions that will be answered with evidence to suggest that there is yet an enduring legacy of Herbert and Loma Armstrong **God's Church, God's Money, False Profits** M. L. Petty,2011-09-28 For years I agonized over writing a book to address the many questions concerning God's church today The following are some of those questions and concerns Are you being deceived from the pulpit Does the church use offerings for God's purpose What is the pastor's salary and compensation Does your Pastor conform to or live like those in the world Are detailed financial statements distributed to each member Should you continue to give money to your church Are you sure that your church is the place for you to worship God After much prayer and study I felt the need to accept the challenge to address these questions in this book entitled God's Church God's Money False Profits It is with some trepidation that I approach these issues because for some the revelations may be uncomfortable to acknowledge or accept And for others they will find truth that will set them free John 8:32 The Threefold Cord James Alan Anderson,2020-08-11 Despite an indifferent father and a mother who develops a serious mood disorder young twins Kevin and Robert and their younger brother Jonah experience an idyllic early life in rural Manitoba during the 1950s while in the loving care of their grandparents However that life comes to an abrupt end after their father converts to the esoteric beliefs of the Radio Church of God a radical fundamentalist sect that preaches strict discipline in preparation for an anticipated end time worldwide cataclysm Forced to move back home to live with their parents the boys are victimized by their father's extreme religious fanaticism which for the twins includes indoctrination sessions beatings and confinement in a basement coal cellar Rather than giving in to their father's brutality and brainwashing efforts the twins remain strong and find clever ways to survive their circumstances and even thrive within them Determined to be their younger brother's keeper the twins and Jonah form an unbreakable bond a proverbial threefold cord It is a bond of mutual support for one another that enables them to better cope with their father's abusive and controlling behaviour Although fictional The Threefold Cord explores many of the real life beliefs and practices of the Radio Church of God and deftly examines the grey area between a cult and a religion between discipline and abuse and asks what it takes for a person to decide where those lines should be drawn Sabbath Diagnosis Gary Hullquist,2004-08-08 Sabbath Diagnosis is a fascinating exploration of the seventh day from a unique clinical perspective After covering an exhaustive medical history this chart presents the findings of a comprehensive physical examination The patient's chief complaint family social and surgical history are all there Also presented is a full discussion of the differential diagnosis pathophysiology etiology and epidemiology of the Sabbath All consultations doctor's orders and progress notes included Within the covers of this extensive medical record you will discover compelling documentation to support your final diagnosis Additional Topics Exposure and spread of Sabbath keeping Excision and Biopsy of the Ten Commandments Classical Symptoms and Vital Signs
