## **Raging Of The Sea The:**

*Sermonettes from the Seashore* Barry Blackstone, 2019-05-23 Coming from this preacher's love of the seashore is a series of sermonettes he heard while walking along some of the world's sandy beaches. Stroll with this man as he shares his insights from days spent on seashores in the counties of Israel, India, Canada, and Australia, as well as the states of Alaska, California, Florida, New Jersey, and Maine. Listen with him as he hears surf and sea sermons, tide and tern tenets, beach and breeze benedictions, and sand and storm sermonettes. Look with him into the face of a coastal nor'easter, watch with him as sea creatures and shoreline birds play together along the sea edge, behold brilliant sunrises and amazing sunsets over distant shores with family and friends, and observe the rising and falling of the great tides. All events along a seashore that inspired these spiritual messages from the Almighty. So take off your shoes, let the sand fill the cracks between your toes, lift your eyes toward the sea, open your ears to the sound of the surf, and be still and know that I am God. Ps 46:10 What does God want to say?

**The Deep Things of God** Thomas Pulickal, 2020-03-03 This book unfolds the eternal truths about the kingdom of God through the eight parables described in the gospel of Matthew chapter 13, emphasising Christ as the person of the fulfilment of all the types, shadows, figures, pictures, symbols, illustrations, patterns, events, feasts, ceremonies, rituals, sacrifices, people, promises, prophecies, and even the various laws of the old covenant. These parables expose the three-fold aspect of the judgement by which the old covenant remains completely abolished. The first was when Christ crucified Adam in His body of flesh and separated Adam from Himself. The second was when Christ as the Son of Man appeared in judgement over the nation of Israel and the temple in A.D. 70 through the Roman army, destroying the entire old covenant system. The third is the subjective experience of the objective reality of Christ's death to be manifested in each one of us personally through the new birth when we identify ourselves with Him by bearing His death and live by His life. All the Parables concern themselves with the kingdom of God, which is a spiritual kingdom formed within us when our created or soulish life is replaced with the divine life of God in Christ Jesus. Since only Christ lives in His kingdom, He invites us to live in and by Him, who alone is the life, thus destroying our Adamic nature that stands in opposition to the will of the Father by His abiding presence within us and enables the transition from Adam, the living soul, or the realm of death into Christ, the life-giving Spirit, or the realm of life. The Parables of Matthew 13 thus consummate the desire of Christ that they may be one when mankind, irrespective of denomination, caste, colour, creed, and nationality, live in and by the life of the One who died and rose for them, establishing them in the Father.

*The Leviathan Factor* Lawrence E. Burkholder, 2017-01-12 The Leviathan Factor tells the incredible story of how Satan, created as Lucifer, the morning star, self-transformed into Leviathan, God's serpentine arch-foe. When he tried to achieve immortality by tweaking creation's lowest level laws, a sophisticated computer automaton he created death instead. As the serpent, he reappeared in the Genesis tree of good and evil where he seduced humans to attempt immortality apart from covenant with God. Leviathan is responsible for the false belief that we each have an inner divine spark which

when reconnected to our ego awakens our true inherent divinity Unfortunately he and his demonic spirits also impact our minds bodies and environment as psi A few of the many markers of these demonic psi are levitation telepathy telekinesis deja vu emotional oppressions poltergeist activities past lives memories voices and visions near death and out of body experiences and trance channeling Many of these psi phenomena are co factors in mind disorders such as schizophrenia or epilepsy Manifestations in Christian circles include false tongues and holy laughter The Leviathan Factor is not a healing how to It is the first book to place demonic evil into the context of creation s basic structures and laws     **Notes, critical, explanatory, and practical, on the Book of psalms. De Graaff,2025-06-20

Scripture's compelling message of love and justice is powerfully relevant for today. The implications of the Amsterdam way of interpreting Scripture are evident throughout the book. It is both a personal and timely way of speaking to our disintegrating society. The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re-connecting with the Bible. As one of the founders of the Amsterdam way of interpretation, Karel Deurloo stated, "The opportunity to learn anew and understand the language of the Bible has been taken away. Often the focus is on the assumed origin and history of a text: a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches. Instead, Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today. This alternative is rooted in the Hebrew Scriptures. Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters. Hence the choice of subtitle: Rediscovering the Old Testament. It is a joyful journey of discovery, finding new meaning in the Bible for our lives."

**Narrative Criticism of the New Testament** James L. Resseguie, 2022-10-25

Narrative criticism is a relatively recent development that applies literary methods to the study of Scripture. James Resseguie suggests that this approach to reading the Bible treats the text as a self-contained unit and avoids complications raised by other critical methods of interpretation. Resseguie begins with an introductory chapter that surveys the methods of narrative criticism and how they can be used to discover important nuances of meaning through what he describes as a close reading of the text. He then devotes chapters to the principal rhetorical devices: setting, point of view, character, rhetoric, plot, and reader. Readers will find here an accessible introduction to the subject of narrative criticism and a richly rewarding approach to reading the Bible.
