Rage and Carnage in the Name of God Abiodun Alao,2022-07-11 In *Rage and Carnage in the Name of God* Abiodun Alao examines the emergence of a culture of religious violence in postindependence Nigeria where Christianity Islam and traditional religions have all been associated with violence He investigates the root causes and historical evolution of Nigeria s religious violence locating it in the forced coming together of disparate ethnic groups under colonial rule which planted the seeds of discord that religion elites and domestic politics exploit Alao discusses the histories of Christianity Islam and traditional religions in the territory that became Nigeria the effects of colonization on the role of

religion the development of Islamic radicalization and its relation to Christian violence the activities of Boko Haram and how religious violence intermixes with politics and governance In so doing he uses religious violence as a way to more fully understand intergroup relations in contemporary Nigeria *Routledge Handbook of Non-Violent Extremism* Elisa Orofino, William Allchorn, 2023-03-09 This Handbook provides the first in depth analysis of non violent extremism across different ideologies and geographic centres a topic overshadowed until now by the political and academic focus on violent and jihadi extremism in the Global North Whilst acknowledging the potentiality of non violent extremism as a precursor to terrorism this Handbook argues that non violent extremism ought to be considered a stand alone area of study Focusing on Islamist Buddhist Hindu far right far left environmentalist and feminist manifestations the Handbook discusses the ideological foundation of their war on ideas against the prevailing socio political and cultural systems in which they operate and provides an empirical examination of their main claims and perspectives This is supplemented by a truly global overview of non violent extremist groups not only in Europe and the United States but also in Africa Asia Oceania and the Middle East The Handbook thus answers a call to decolonise knowledge that is especially prescient given both the complicity of non violent extremists with authoritarian states and the dynamic of oppression towards more progressive groups in the Global South The Handbook will appeal to those studying extremism radicalisation and terrorism It intersects several relevant disciplines including social movement studies political science criminology Islamic studies and anthropology *Colombia in Pictures* Thomas Streissguth, 2004-01-01 Text and illustrations present detailed information on the geography history and government economy people cultural life and society of traditional and modern Columbia *School Library Journal*, 2004

Politico-ideological Mobilisation and Violence in the Arab World Ahmed Ajil, 2022-09-06 This book presents a study of politico ideological mobilisation and violence by focusing on the life stories trajectories and narratives of individuals who mobilised for causes and conflicts in the Arab World It provides a greater understanding of the biographical sociological political and historic factors pertinent for their radicalisation processes What makes individuals identify with suffering and injustice often of others and elsewhere Why do individuals feel the need to stand up in the first place and how does violent action become a justifiable or necessary course of action Why and how do they disengage from violence This book based on interviews conducted in Lebanon Switzerland and Canada answers these questions It presents new theoretical insights about politico ideological mobilisation and violence By focusing on grievances and grounding analysis in the empirical reality as it is shared and narratively constructed by those who are at the heart of the phenomenon it moves beyond the moralistic and politicised debates that characterise the field Interviewees include non violent and violent engagement for causes and conflicts related to the Arab World such as sympathisers or members of groups and causes from a variety of ideological orientations including Shiite militias Salafi jihadist groups radical left wing groups Palestine specific Kurdish groups and others such as right wing or unspecified affiliations By choosing individuals with different forms of political engagement both

non violent and violent and different ideological orientations it helps readers to get a better grasp of how similar grievances may lead to different outcomes In focusing on three markedly different geopolitical contexts the book also provides a crosscontextual understanding of mobilisation for political and violent action The interviewees also include experts and peripheral actors such as professionals researchers policymakers friends or family members Their perspectives complement and enrich some of the findings by providing external yet in depth expert knowledge Politico ideological Mobilisation and Violence in the Arab World will be of great interest to criminologists political scientists sociologists and other scholars interested in the study of terrorism radicalisation and extremism It will also appeal to journalists policymakers practitioners working in the field The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license
