The Real World, and the Other Real World Marcia Lewton,2004 The feature these fifteen diverse stories have in common is the humor that comes of pushing the reality of ordinary life just a few inches over the edge In the first story Duke Drunk in the Driveway a family funeral turns into a double

funeral seen through the eyes of a little girl Gwennie who also tells the story in Webs Family shames and secrets are observed by a sharp eyed child whose parents each try to win her allegiance against the other The Knitting Nancy and Pastures White with Clover are both told by women at the other end of life one celebrating her 80th birthday by imagining inviting people from all her old address books to a party the other wheeling out of the nursing home to go searching for her Own True Love The real world looks familiar enough in Ephesus New Jersey Here a young wife cowed by the moral correctness of her husband gets help from the ancient Greek philosopher Heraclitus as she takes her own stand In Gorgonzola Suns a painter is encouraged by her husband through a bad day at an art fair A letter carrier visits Alaska in The Frontier where his dream of eagles helps him break his attachment to a fickle woman A grieving father in Concordia awaits the arrival of his paranoid son trying desperately to stay in the present moment and not be overcome by memories of the past and worries of the future Reality begins to escape the envelope in When the Gift Fits when a young man finds himself the recipient of a mysterious gift that will teach him something he needs to know as he discovers its meaning The mother of an endless brood of children escapes her family in Amelioration to live in a mini warehouse The next two stories in this collection are written as though the world were perfectly ordinary but is it A young man in The Almost Perfect Flaw discovers that his attraction to the perfect woman who is frail and light enough to carry in his arms with her long dark hair swinging down over his elbow stricken down in youth by a death that did not leave marks Longing to be respectable he has to settle for a woman who is only almost perfect The heroine of Change at the Fortune Cookie Factory inherits the family business and enhances both divisions dough and fortunes far beyond what her parents had accomplished In the last two stories we move into a more altered realm The Other Real World begins when a woman gives birth to twins one of which is a bear cub Raising the twins carries her into a realm of possibility other than city government and shopping malls And the narrator of Melanchthon and the Process Server tries to save her numerous babies from disappearing from a house with sixty five people living in it I can believe that there are already sixty five only by counting them as they leave each morning to forage for their contributions to the daily soup It is not possible I compared the area of the house with the area of a person lying down multiplied by sixty five it is not possible But there they go out the door with their foraging implements knives hooks nets ropes a Bible a can of Dog Away by which we snatch choice bones and a ragged five dollar bill Sixty three sixty four sixty five These stories deal with life's tough issues but always the humor rescues them from heavy solemnity

Jenny Nordberg,2014-09-16 An investigative journalist uncovers a hidden custom in Afghanistan that will transform your understanding of what it means to grow up as a girl An astonishingly clear picture of this resourceful if imperfect solution to the problem of girlhood in a society where women have few rights and overwhelming restrictions The Boston Globe In Afghanistan a culture ruled almost entirely by men the birth of a son is cause for celebration and the arrival of a daughter is often mourned as misfortune A bacha posh literally translated from Dari as dressed up like a boy is a third kind of child a girl temporarily raised as a boy and presented as such to the outside world Jenny Nordberg the reporter who broke the story of this phenomenon for the New York Times constructs a powerful and moving account of those secretly living on the other side of a deeply segregated society where women have almost no rights and little freedom The Underground Girls of Kabul is anchored by vivid characters who bring this remarkable story to life Azita a female parliamentarian who sees no other choice but to turn her fourth daughter Mehran into a boy Zahra the tomboy teenager who struggles with puberty and refuses her parents attempts to turn her back into a girl Shukria now a married mother of three after living for twenty years as a man and Nader who prays with Shahed the undercover female police officer as they both remain in male disguise as adults At the heart of this emotional narrative is a new perspective on the extreme sacrifices of Afghan women and girls against the violent backdrop of America s longest war Divided into four parts the book follows those born as the unwanted sex in Afghanistan but who live as the socially favored gender through childhood and puberty only to later be forced into marriage and childbirth The Underground Girls of Kabul charts their dramatic life cycles while examining our own history and the parallels to subversive actions of people who live under oppression everywhere *Our Best Baby Afghans* Leisure Arts, Inc,1996 You ll love this wonderful collection of favorite Leisure Arts baby afghans with a variety of styles and colors Each one of these 54 cover ups includes step by step instructions and radiant full color photography so you can be confident of success

Afghans for All Seasons ,1993 Offers 52 patterns for afghans designed for each of the four seasons *Modern Afghanistan* Amin Saikal,2004-08-27 Afghanistan s recent history is a sad one Soviet invasion in 1979 Pakistan backed internal conflict in the 1980s the Taliban regime and then the US invasion and the multi national occupation after the events of 11 September 2001 Why does Afghanistan remain so vulnerable to domestic instability foreign intervention and ideological extremism In reconstructing the tempestuous narrative of modern Afghanistan Amin Saikal provides a sweeping new understanding of its troubled past and present He identifies the country s inability to develop stable political structures as stemming from the inter dynastic rivalry complicated by polygamy that scarred successive royal families from the end of the eighteenth century until the pro Soviet Communist coup of April 1978 all exacerbated by foreign interventions feeding on fragile domestic structures and the rise and fall of different ideological streams Here for the first time is an up to date analysis of the era of the Taliban s rule the effects of US domination in the country and attempts to negotiate a US

withdrawal including talks about talks with the Taliban themselves This book which sets the crisis of Afghanistan in the context of the country s modern history and social structures makes a major and highly original contribution towards a better and more nuanced understanding of this ill fated land It is the definitive study of Afghanistan and its troubles in national regional and international contexts from 1747 to the present day Modern Crocheted Afghans, Throws, and Pillows (US) Laura Strutt,2018-12-06 Crochet these colorful and stylish home accessories with 35 patterns by young designer Laura Strutt author of the best selling Modern Crocheted Shawls and Wraps Laura Strutt brings you a range of new designs for afghans blankets throws and pillow covers Divided by color theme Bright and Beautiful Warm and Rich and Neutral and Natural with modern designs there is something for every home whatever your decorating style Make a rainbow granny circle blanket using rich bright yarns or try a chunky striped throw in soft neutrals A wrap around granny square makes the perfect cover for a floor pillow while block stitch shows off bright pastels in a square afghan Patterns are graded so you can start with something simple if you are a beginner or select something more advanced if you are skilled with a hook and yarn
