Rainbow Voices From Asia 04:

LGBTQ+ Visibilities in the Caucasus and Central Asia Jasmin Dall'Agnola, Cai Wilkinson, 2025-03-19 This book discusses the ongoing challenges of queer visibilities activism and knowledge production and demonstrates that there are lessons to be learned from the experiences of queer people in the Caucasus and Central Asia The idea for this book emerged from a desire to showcase queer scholarship in and on the region following a panel discussion about the visibility of queer communities in the post Soviet space at the ASEES virtual convention in December 2021 The contributions in this book explore questions including but not limited to Under what circumstances and conditions does the Internet play a polarizing or liberalizing role in relation to sexual and gender diversities What accounts for the divergent trajectories of LGBTQ rights recognition in different states and regions of the world How is expanding access to the Internet and persistent government censorship and queerphobia changing LGBTQ identities visibilities and activism Via their engagements with the questions outlined above this book amply demonstrates not just the relevance of scholarship about LGBTQ communities and activism for both area studies and queer studies but the ongoing need to interrogate existing political economies of knowledge production The chapters in this book were originally published in *Central Asian Survey* and are accompanied by a new Foreword an updated Introduction an Epilogue and an Afterword Asia and Pacific Review 2003/04 Kogan Page, 2003

Covering the whole of Asia and the Pacific region this text provides both an analytic overview and specific data for each of the 60 countries Introductory chapters cover regional issues including a regional review with the year's trends developments and key events analysis of the threat of terrorism in the region the effects of deflation on the economy the water crisis and its impact on the poor and the successes and failures of micro credit in the region political and economic surveys identifying the trends developments problems and solutions country profiles including information on economic sectors political parties and systems demographics and languages key facts and analysis of vital statistics business guide offering practical information for visitors to the country including local contact addresses key indicators setting out the country's key economic indicators between 1998 and 2003 *Focus: Choral Music in Global Perspective* André de Quadros, 2019-03-11

Focus Choral Music in Global Perspective introduces the little known traditions and repertoires of the world's choral diversity from prison choirs in Thailand and gay and lesbian choruses of the Western world to community choruses in the Middle East and youth choirs in the United States The book weaves together the stories of diverse individuals and organizations examining their music and pedagogical practices while presenting the author's research on how choral cultures around the world interact with societies and transform the lives of their members Through an engaging series of portraits that pushes beyond the scope of extant texts and studies the author explores the dynamic realm of world choral activity and repertoire These personal portraits of musical communities are enriched by sample repertoire lists performance details and research findings that reposition a once Western phenomenon as a global concept *Focus Choral Music in Global Perspective* is an accessible engaging and

provocative study of one of the world's most ubiquitous and socially significant forms of music making Sound Communities in the Asia Pacific Lonán Ó Briain, Min Yen Ong, 2021-01-28 The popularization of radio television and the Internet radically transformed musical practice in the Asia Pacific These technologies bequeathed media broadcasters with a profound authority over the ways we engage with musical culture Broadcasters use this power to promote distinct cultural traditions popularize new music and engage diverse audiences They also deploy mediated musics as a vehicle for disseminating ideologies educating the masses shaping national borders and promoting political alliances With original contributions by leading scholars in anthropology ethnomusicology sound studies and media and cultural studies the 12 essays in this book investigate the processes of broadcasting musical culture in the Asia Pacific We shift our gaze to the mechanisms of cultural industries in eastern Asia and the Pacific islands to understand how oft invisible producers musicians and technologies facilitate frame reproduce and magnify the reach of local culture **Whitaker's Books in Print** ,1998

Populists and the Pandemic Nils Ringe, Lucio Rennó, 2022-08-26 Populists and the Pandemic examines the responses of populist political actors and parties in 22 countries around the globe to the COVID 19 pandemic in terms of their attitudes rhetoric mobilization repertoires and policy proposals The responses of some populist leaders have received much public attention as they denied the severity of the public health crisis denigrated experts and data looked for scapegoats encouraged protests questioned the legitimacy of liberal institutions spread false information and fueled conspiracies But how widespread are those particular reactions How much variation is there What explains the variation that does exist This volume considers these questions through critical analysis of countries in the Americas Europe Asia and Africa by leading experts with deep knowledge of their respective cases Some chapters focus on populist parties others on charismatic populist leaders Some countries examined are democracies others autocracies Some populists are left wing others right wing Some

populists are in government others in opposition This variation allows for a panoramic consideration of factors that systematically influence or mediate populist responses to the pandemic The book thus makes a unique contribution to our understanding of the intersection between two of the most pressing social and political challenges of our time The book will be of interest to all those researching populism extremism and political parties and those more broadly interested in political science public policy sociology communications and economics The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license Thanks to the support of libraries working with Knowledge Unlatched www.knowledgeunlatched.org
