Ella is so close but when she's naughty and has halo points deducted from her card it feels as though she'll never get her glistening halo. When the school's water supply is jammed it looks like sports day is going to be cancelled. Can Ella find a way to save sports day, get the water supply back and earn her sapphire halo?

Rainbows and Moonbeams Carole Browning, 2008-09-27 Once upon a time there was a lady sitting at a table trying to create a meaningful book. Just then her muse tapped her on the head quite hard. I might add and said, 'Write a book about magical beings, feelings and whimsical poetry. Mix it all together and see what happens.' So the lady did. Hopefully this is just the beginning.

Angel Medicine Doreen Virtue, 2005-08-01 When Doreen Virtue visited Santorini Island in Greece recently, she was contacted by a powerful group of angels calling themselves the angels of Atlantis. Doreen was then taken on an amazing spiritual adventure where she uncovered the ancient secrets of the healing temples of the lost civilizations of Atlantis. Doreen found that her previous healing work with the angels, as well as the thousands of case studies of angelic healing that she'd amassed over the years, dovetailed perfectly with the messages from the angels of Atlantis. Part spiritual adventure story and part reference book, *Angel Medicine* is a three-part work that relates the exciting story of Doreen's recovery of memories of Atlantean healing methods along with messages from the Egyptian and Greek prophet and deity Hermes and the angels. The second and third parts of the book reveal the scientific studies, case studies

Lawrence,2015-08-04 Selected by the Modern Library as one of the 100 best novels of all time Pronounced obscene when it was first published in 1915 The Rainbow is the epic story of three generations of the Brangwens a Midlands family A visionary novel considered to be one of Lawrence s finest it explores the complex sexual and psychological relationships between men and women in an increasingly industrialized world Lives are separate but life is continuous it continues in the fresh start by the separate life in each generation wrote F R Leavis No work I think has presented this perception as an imaginatively realized truth more compellingly than The Rainbow **The Revelation Rainbow** Charles Walter Doughty,2016-07-19 This book Revelation Rainbow is the end of a forty year quest by the author to find answers to the questions generated by Biblically un informed scholarship that shrouds rather than unveils the great truths of this Holy Spirit directed work of our Lord Hundreds of students of Revelation have been left in a

bewildered state because certain scholars approach the book with a human mindset instead of a Spirit led mindset Instead of looking at Revelation as The Divine apocalypse they try to humanize and literalize the book as a study of human secular history leaving the student with a complicated scheme of things that do not make sense Having met these students Mr Doughty was greatly distressed to see them turn from God s Word especially Revelation altogether Subjects like the Antichrist Millennium Mark of the Best Rapture Tribulation and Left Behind are just some of the end time twists causing confusion

The Rainbow, a magazine of Christian literature ,1865

The Rainbow D. H. Lawrence,2021-05-24T02:04:40Z The Rainbow is an epic tale spanning three generations of Brangwens a family of farmers living in Nottinghamshire around the time of the Industrial Revolution The tale begins with Tom Brangwen the very epitome of a rural English farmer leading the old way of life We follow him as a youth easing in to the rhythm of rural existence He soon falls in love with Lydia a Polish immigrant he had hired as a housekeeper and despite their vast cultural differences the two marry Their relationship is in a word satisfactory the two face a language and culture barrier that prevents their minds from ever truly meeting but they learn to be more or less content with their place in society and in raising their children Lydia s child by her first marriage Anna becomes the focus of the next part of the novel She was born in England and has a fiery and demanding temperament She falls in love with Will a nephew of Tom and the two begin a rocky and difficult marriage Will a craftsman and not a farmer is self absorbed and wants nothing more than for them to live their

lives only for each other But Anna wants to strike out in the world and become a part of society The two must reconcile their clashing personalities and desires as they raise their many children The oldest of their children Ursula becomes the focus of the last third and perhaps most famous part of the novel Ursula is a deeply sensual being born in to the Victorian era a time restrained in morality but exploding in energy and possibility now worlds away from her grandfather Tom Brangwen s quiet traditional farming life She leads a life unimaginable to her rural ancestors indulging in travel abroad waiting for marriage and pursuing her physical desires and even taking on a career a concept both new and frightening to her family who are just a generation removed from the era when a woman s life was led at home Her unhappiness with the contradiction in this new unbridled way of living and the strict social mores of the era becomes the main theme of this last part of the book The entire novel takes a frank approach to sexuality and physical desire with sex portrayed unashamedly as a natural powerful pleasurable and desirable force in relationships In fact Ursula s story is the most famous part of the novel not just because of her unrestrained physicality and lust but because she also experiments with a candidly realized homosexual affair with one of her teachers This unheard of treatment of deeply taboo topics was poorly received by Lawrence s Edwardian contemporaries and the book quickly became the subject of an obscenity trial that resulted in over 1 000 copies being burned and the book being banned in the U K for eleven years Though its charged portrayal of sexuality is what the book is remembered for sexuality is only one of the themes Lawrence treats The novel stands solidly on its rich description of both rural and city life its wide angled view of change over generations and its exploration of hope for the human spirit in societies that heave not gently but quickly and violently into new eras This book is part of the Standard Ebooks project which produces free public domain ebooks [Rainbow Journey Screen Play \(with Pictures\)](#) Jenna Vescio & LohnRiver,2005-05 A beautiful story about two children who lost their parents and went in search of their Aunt the Queen A lot of things happened along the way but what a beautiful ending
