

A cinematic illustration of a rainy night street. In the center, a person with short dark hair, wearing a dark hooded jacket and a dark skirt, walks away from the viewer. They are holding a dark umbrella. The street is wet and reflective, mirroring the warm yellow and orange lights from street lamps and shop windows on the left, and the cool blue and white lights from traffic signals and cars on the right. A white car is partially visible on the right side of the frame. In the background, another person is walking further down the street. The overall atmosphere is moody and dreamlike.
