Bender, 2016-05-05 First published in 1981 A Concordance to the Poems of John Keats intended to provide the user with a volume suitable to the varying and increasingly specialised interests of scholarship This title offers a high degree of inclusiveness that attends to the poems and plays the emended and authoritative headings and virtually all of the variant readings considered substantive in the riches of the Keats manuscript materials This title will be of interest to students of literature David of Sassoun Arpine Khatchadourian, 2016-07-01 The Armenian folk epic David of Sassoun was performed and transmitted orally for over one thousand years before a variant was discovered and transcribed in 1873 The publication of this variant marks the beginning of a long period of discoveries of other variants The fifty variants collected by 1936 are the source of the epic s unified text The action of the epic is centered on the preservation of the House of Sassoun or freedom from invaders The oaths taken by heroes create conflicts of loyalties that work against this central concern The curse another form of the oath leads to the decline of the House of Sassoun The father s curse which condemns the son to barren immortality also puts heroic life in suspension until the eschatological vision is realized Pacific Fancier , 1905
