THE GIVER

COMING TO
THEATERS IN 2014

ABOUT THE BOOK

Jonas lives in an orderly community where everyone is treated the same. The dress is uniform, and there is no color or music. His world is one without conflict, poverty, injustice, or inequality. Children are well-mannered, and families have a designated time to share their feelings. There is school, recreation, and time to interact with friends. Volunteerism is mandatory and at age twelve children are given their life Assignments in an annual ceremony presided over by the Chief Elder. Jonas isn't surprised that his fun-loving friend Asher is named Assistant Director of Recreation, or that his caring friend Fiona is appointed Caretaker of the Old. But he is puzzled by his own assignment—Receiver of Memory.

During his training with the Giver, Jonas receives pleasant memories such as snow, sunshine, and color. As Jonas acquires more memories, he begins to question the dark side of his seemingly perfect world, and for the first time in his life he makes a decision—one that changes everything for him, and for his community.

PRE-READING ACTIVITY

Define *utopia* and *dystopia*. Ask students to share novels they have read that represent a utopian and dystopian community. Divide them into small groups and ask them to prepare an argument about whether a truly utopian community is possible.

DISCUSSION

- Ask students to define *family*. Contrast families in our society to the way families are formed in Jonas's community. Debate the pros and cons of all families being the same.
- Foreshadowing is a literary device that hints at what's to come later in the plot. What does the bridge west of town foreshadow and the airplane (p. 1) foreshadow?
- Symbolism is the use of a symbol to represent an idea. What is the symbolism of the sled? What about the apple, the river, Jonas's pale eyes, and Gabriel's name?
- A euphemism is a term used to soften the meaning of a word that may suggest something unpleasant. What euphemisms does Lowry use in the novel? Describe Jonas's reaction when he discovers the real meaning of "Release." How is this moment a turning point in the novel?
- Discuss the rules of the community. How does discipline begin in the Nurturing Center? Explain how the Speaker is used to call out those who have broken a rule. Why don't the people question the rules and the way they are enforced? Lily breaks a rule when she calls Gabriel by his name. What consequences might she face if anyone outside the family unit hears her? Discuss why Jonas is exempt from the rules once he becomes the Receiver. How does this cause him problems within his family and among his friends?

Reading the Impossible

Elizabeth Weed, 2024-05-07 Reading the impossible has never seemed less possible A few decades ago critical readings could view the collapse of foundationalism optimistically With meaning no longer soldered onto being there was hope for all those beings whose meaning had been forever ordained by Nature or the Divine Critical reading thus became a way of exploring the devious workings of knowledge and power But as non foundational systems of meaning have proven to be so perfectly suited to the transactional logics of the market reading for the impasses of meaning has come to be seen as quixotic impractical and dated To concur with that view Elizabeth Weed argues is to embrace the fantasy told by the neoliberal order To read the impossible is to disrupt that fantasy with its return to stable categories of marketable identity in order to contest the inexorable workings of misogyny and racism This book seeks to disturb the positivity of identity in the hope of retrieving the impossibility of sexual difference an impossibility that has its effects in the Real of misogyny A return to the famous debate between Derrida and Lacan on the impossibility of sexual difference yields two different readings of the impossible In reconsidering these questions Weed shows how the practice of reading can powerfully stage the wiles of language and the unconscious In returning to that earlier moment in the context of current debates on the role of reading and interpretation Weed offers a fresh perspective on what is at stake for critical reading in the neoliberal university
