Rediscovering The Jesus Story:

Rediscovering Jesus David B. Capes, Rodney Reeves, E. Randolph Richards, 2015-07-08 Who is your Jesus This textbook introduction gives an enjoyable and challenging look at how we encounter Jesus in Scripture and our culture from the New Testament to the gnostic gospels historical Jesus studies Islam Mormonism Hollywood and Americana Follow the path to seeing Jesus truly and notice the difference it makes for faith and life **Rediscovering the Jesus Story** Joseph A. Grassi, 1995 The power of this book lies in Joseph Grassi's insight that the gospels were written as dramatic narratives For centuries the main contact people had with the gospels was in hearing them proclaimed and performed The proclaimers and the listeners did not consider Jesus a dead person of the distant past but as present here and now to believers The actual person narrating the gospel was only a channel or instrument of Jesus actual words Jesus was speaking to them with all the dynamic power and effect that he had on his audiences years and centuries ago in Galilee The gospel audience heard his words not merely in terms of valuable information but also as empowerment and energy to accomplish the things they heard The stories of miracles healings and forgiveness were reminders that the same events were now happening again through Jesus presence in their midst Rediscovering the Jesus Story will help the reader rediscover the passion and vitality of the gospels Each particular story is accompanied by the necessary background a modern audience needs to discover the gospel anew This includes the background of the Hebrew scriptures along with guides to the meaning of each story within each gospel's dramatic and literary pattern At the end of each section the reader will find Pathways to Further Discovery and suggestions for keeping a personal journal Rediscovering the Jesus Story allows the reader to enter into the gospels in a deeper way than ever before **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved Rediscovering Jesus Dr. Tony Foster, 2022-01-25 Rediscovering Jesus is a book about taking a fresh new look at the claims of this amazing historical figure name Jesus Christ I say this in all humility but honestly I believe in my experience over the last 32 years of being a Christian and working with churches that the church has many misconceptions about who Jesus is When you do not have a proper understanding of the Bible as a Christian then your foundation will be faulty You cannot build a house to last for generations on a faulty foundation I have taken an apologetic approach to writing this book Apologetics can be defined as a defense of the Christian faith Apologetics is giving a rational presentation for and providing the intellectual basis of the truth claims of biblical Christianity I wanted to give the reader enough information where it's not too academic but academic enough that you could have a theological historical and philosophical understanding of the claims of Jesus I pray that this book will give you a revelation and understanding of the greatest man who ever lived Jesus Christ I believe that Jesus is fully God and fully man The purpose of this book is to show the evidence that you will know and consider that Jesus is truly the Son of God And that you may receive him as your Lord and Savior In this critical time in our history the only answer to true freedom and liberty is by Rediscovering Jesus the true Savior of the world **Ruining**

Christmas--Rediscovering Jesus Carl N. Toney, 2021-08-31 Did you know that the Christmas story almost wasn't told? But Matthew and Luke saved Christmas. Have you wondered if Christmas is really a pagan holiday? Did marketers invent Santa Claus? And what does a Christmas tree have to do with anti-slavery? We'll learn which traditions come from the Bible and where other traditions derive. Have you ever considered who Jesus was named after? Or why Jesus's genealogy is traced to Joseph if he's not Jesus's biological father? We'll answer questions like these surrounding Jesus's legacy. Maybe you've asked what was the Bethlehem star? Or have you heard that there wasn't an inn or innkeeper? With these kinds of inquiries, we'll look at the circumstances surrounding Jesus's birth. Do we know if the magi were kings, astrologers, or magicians? Or could you name the oldest person that met baby Jesus? By interacting with these people who met Jesus on that first Christmas, we'll join the cast of characters around the manger. As we explore the stories and traditions of Christmas together, we'll ruin some past misconceptions, but in the process, I promise that we'll rediscover Jesus.

Following Jesus Blake Ferriss,2019-05-15 Jesus spoke to the people once more and said I am the light of the world If you follow me you won t have to walk in darkness because you will have the light that leads to life John 8 12 NLT Following Jesus An Approach to Christian Spirituality provides a basis for understanding how the Lordship of Christ is the essential criterion for determining how Christianity functions as a relational experience with God With that relational

experience for the believer in Christ being the product of supernatural experience with the Holy Spirit The book functions as an organizing tool to be used for a conscientious inquiry into how a Christian worldview operates in four relational categories of experience With these relational categories act as a basis for understanding how our choices affect our lives and our futures both now and in life and eternally and how it is that God loves us and will give our lives the meaning and purpose that we all long for

O'Brien, 2016-11-01 Randolph Richards and Brandon O'Brien explore the complicated persona and teachings of the apostle Paul Unpacking his personal history and cultural context they show how Paul both offended Roman perspectives and scandalized Jewish sensibilities revealing a vision of Christian faith that was deeply disturbing to others in his day and remains so in ours

Christ and the Law in Matthew Brice L. Martin, 2001-02-20 Martin argues that Jesus' relationship to the law is not described in terms of keeping therein doing poiein establishing histemi making firm bebaion interpreting hermeneuein adding prostithemi completing or making perfect telein or teleioun but of fulfilling pleroun Jesus' eschatological mission is not in any way to take away from the law or add a foreign mixture to the law but to fill the law full to bring all of it into eschatological fullness This he does in the events of his coming his earthly life death resurrection and return but he also does it with his teaching

The "Man Christ Jesus" Stephen Oliver Stout, 2011-06-17 Does the Apostle Paul have any use for the person of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul's intriguing description of the Man Christ Jesus 1 Tim 2:5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul's Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then

demonstrates that Paul's gospel rests upon Jesus as a man of history who brings salvation into human history in his life, death, and exaltation as the Man Christ Jesus. **Whitaker's Books in Print**, 1998. **The Myth of the Non-Christian** Luke Cawley, 2016-02-12. Evangelism is not one size fits all. In this book, Luke Cawley shows how we can contextualize the gospel in different ways to connect with three key demographics: the spiritual but not religious, committed atheists, and nominal Christians. Filled with real-life stories of changed lives, this book is a practical and hopeful resource for helping people to encounter God.
