Rediscovering The Triune God The Trinity In Contemporary Theology

Stanley James Grenz

Rediscovering The Triune God The Trinity In Contemporary Theology:

Rediscovering the Triune God Stanley James Grenz, 2004 The last century has witnessed a revival and renewal of trinitarian theology led initially by Karl Barth The legendary puzzles of trinitarian theology have become especially vexing in an era of changed philosophical and cultural categories and a host of religious thinkers in the last century have tried to reformulate the main lines of thought about God's trinitarian life Theologian Stanley Grenz here tells this story of trinitarian theology reporting and analyzing the remarkable ferment in the discipline and discussing especially eleven theologians on such issues as God's inner life vs God's relationship to creation immanent and economic trinity social vs psychological analogies for the relationships within God the relationship between trinity and Christology the feminist critique of classical categories and how God's trinitarian life figures in evolution social justice and spirituality Grenz's Introduction place this ferment historically in the course of Christian thought from the patristic period to now while his Conclusion sets a future agenda for the doctrine and theology

Rediscovering the Triune God Stanley J. Grenz, 2014 Theologian Stanley Grenz here tells the story of trinitarian theology in the last century He analyzes the remarkable ferment in the discipline and discusses key theologians on such issues as God's inner life versus God's relationship to creation immanent and economic trinity social versus psychological analogies for the relationships within God the relationship between trinity and Christology the feminist critique of classical categories and how God's trinitarian life figures in evolution social justice and spirituality

Canadian Pentecostals, the Trinity, and Contemporary Worship Music Michael A. Tapper, 2017-05-08 This volume offers a landmark analysis of the trinitarian impulses in contemporary worship music used by the Pentecostal Assemblies of Canada PAOC It considers whether the lyrics from the most commonly used PAOC songs are consistent with this Evangelical group's trinitarian statement of faith Colin Gunton's trinitarian theology provides the theological rationale for eight original and qualitative content analyses of these songs Three major areas are considered the doctrine of God human personhood and cosmology Making use of Gunton's notions of relationality particularity and perichoresis along with several key Pentecostal scholars this book serves as a helpful descriptive and prescriptive theological resource for the dynamic practice of a trinitarian faith

An Introduction to the Trinity Declan Marmion, Rik van Nieuwenhove, 2011 This book introduces the main people and themes in the history of Trinitarian theology and analyses recent alternative readings of the tradition

The Cambridge Companion to the Trinity Peter C. Phan, 2011-06-30 This Companion explores how the Christian doctrine of the Trinity has been understood and articulated in the last two thousand years The Trinitarian theologies of key theologians are carefully examined and the doctrine of the Trinity is brought into dialogue with different religions as well as with other Christian beliefs

Colin Gunton's Trinitarian Theology of Culture Andrew Picard, 2024-06-27 Whilst upholding some of the criticisms of Colin Gunton's work this incisive book argues that there is a Hauptbriefe in Gunton reception that assumes his early classic works *The One the Three and the Many* and *The Promise of Trinitarian Theology* 1st

ed are definitive of his project and fail to engage adequately with the progressions in Gunton's later thought. Instead, this book offers a fresh reading of Gunton by giving greater prominence to his later writings which are centred in the mediation of the Son and the Spirit in creation. Andrew Picard argues that Gunton's trinitarian theology of culture emerges from his later trinitarian theology of mediation, creation, Christology, pneumatology, and ecclesiology. Exploring these doctrinal foci enables an understanding of Gunton's account of faithful human culture as embodied worship, a living sacrifice of praise which contributes to the divine redemption and perfection of creation. It is the church's particular calling to embody such praise through its visible life in community. The study concludes by intersecting Gunton's theology with the social sciences to critique ableism and consider the politics of the church's belonging in community.

The Trinitarian Theology of Stanley J. Grenz Jason S. Sexton, 2013-09-12 Exploring one of the most controversial figures in recent evangelical theology, this book thoroughly examines core features of Stanley J. Grenz's Trinitarian vision.

Revisioning, Renewing, Rediscovering the Triune Center Derek J. Tidball, Brian S. Harris, Dr Jason S. Sexton, 2014-11-10 An international cast of theologians come together in this volume to offer essays in tribute to the late Stanley J. Grenz, one of the leading theologians of his generation. Accordingly, the volume includes timely explorations in some of the most exciting areas in contemporary theology. It is only fitting that these very explorations revolve around the key motifs of Grenz's theology: Trinity, community, eschatology, and the key sources from which he drew for theology's construction: Scripture, tradition, culture. While engaging key features seen in Grenz's work, some of the essays here interact with Grenz's own writings, reflecting on his theological journey and his contributions to evangelical theology. In these ways, this volume highlights the kind of evangelical theology that so many have experienced in recent years and of which Stanley Grenz was a leading proponent. *Revisioning, Renewing, Rediscovering the Triune Center* then makes a significant contribution to discussions in contemporary theology while itself setting out to honor the life and work of an eminent theologian who did so much for evangelical theology.

Trinitarian Theology after Barth Myk Habets, Phillip Tolliday, 2012-05-31 Drawing together scholars whose essays exhibit work after Barth in engaging the doctrine of the Trinity and its related themes, Barth's thought as evidenced amongst his most expert commentators allows for a variety of interpretations, the details of which are being hammered out on the pages of academic journals and volumes such as this one. It is this variety of responses to and interpretations of Barth's theology that gives such vibrancy to the essays in this volume by seasoned Barth scholars and voices new to the conversation.

The New Evangelical Subordinationism? Dennis W. Jowers, H. Wayne House, 2012-08-16 Whether and in what sense the Son of God might eternally submit to his Father's will is a question that has ignited a firestorm of controversy in today's evangelical academy. On one side stand those who regard the affirmation of any inequality whatsoever in the Godhead as a revival of ancient subordinationism. On the other stand persons who consider the Son functionally subordinate to the Father even within the immanent Trinity without respect to the Incarnation and regard their belief as integral to historic orthodoxy. Many evangelicals moreover view the issue of

subordination within the Trinity as pivotal to contemporary disputes about the role of women in church home and state If the relations of the divine persons constitute a paradigm for human life persons on all sides of the gender question argue human relations ought to reflect either the divine persons exceptionless equality or their orderly differentiation of roles At the same time others consider the issues of equality in the Trinity and gender relations irrelevant to each other and accuse both complementarians and evangelical feminists of degrading the doctrine of the Trinity into a partisan weapon The New Evangelical Subordinationism gathers commentary on evangelical debates about equality and subordination in the Trinity from representatives of the gamut of perspectives just mentioned Here evangelical theologians biblical scholars and church historians of widely differing theological orientations address themselves to the panoply of questions raised by these debates This volume unprecedented in the breadth and depth of its coverage of the controversy over subordination in the Trinity should become a standard source for teaching and research on its subject
