Rediscovering Palestine Merchants And Peasants In Jabal Nablus 1700 1900:

Rediscovering Palestine Beshara Doumani, 1995-10-12 Drawing on previously unused primary sources this book paints an intimate and vivid portrait of Palestinian society on the eve of modernity Through the voices of merchants peasants and Ottoman officials Beshara Doumani offers a major revision of standard interpretations of Ottoman history by investigating the ways in which urban rural dynamics in a provincial setting appropriated and gave meaning to the larger forces of Ottoman rule and European economic expansion He traces the relationship between culture politics and economic change by looking at how merchant families constructed trade networks and cultivated political power and by showing how peasants defined their identity and formulated their notions of justice and political authority Original and accessible this study challenges nationalist constructions of history and provides a context for understanding the Palestinian Israeli conflict It is also the first comprehensive work on the Nablus region Palestine s trade manufacturing and agricultural heartland and a bastion of local autonomy Doumani rediscovers Palestine by writing the inhabitants of this ancient land into history *Rediscovering Palestine* Beshara Doumani, 1995

The Fragmentation of Palestine Joshua Rickard, 2022-02-24 This book examines processes of fragmentation that have altered the social dynamics of Palestinian society since the second intifada With a specific focus on the city of Nablus and its outer laying areas the book details the extraordinarily personal experience of isolation namely the physical division of communities through long term military siege and the ways that communities have adapted to get by despite frequently changing restrictions Joshua Rickard shows various forms of isolation and social fragmentation combined with the uncertainty of everyday life that have come to characterise the existential experience of being Palestinian More relevant than how the conditions of fragmentation have occurred is what isolation and uncertainty mean to communities that are severed from those surrounding them Finally this book examines the possibility for a reformation of social organisation that transcends traditional political discourses which can be seen emerging from Palestinian communities **A Young Palestinian's Diary, 1941-1945** Kimberly Katz, 2009-12-03 Writing in his late teens and early twenties Sami cAmr gave his diary an apt subtitle The Battle of Life encapsulating both the political climate of Palestine in the waning years of the British Mandate as well as the contrasting joys and troubles of family life Now translated from the Arabic Sami s diary represents a rare artifact of turbulent change in the Middle East Written over four years these ruminations of a young man from Hebron brim with revelations about daily life against a backdrop of tremendous transition Describing the public and the private the modern and the traditional Sami muses on relationships his station in life and other universal experiences while sharing numerous details about a pivotal moment in Palestine s modern history Making these never before published reflections available in translation Kimberly Katz also provides illuminating context for Sami s words laying out biographical details of Sami who kept his diary private for close to sixty years One of a limited number of Palestinian diaries available to English language readers the diary of Sami cAmr bridges significant chasms in our
