**THE POCKET BOOK OF TRUTH: Daily Thoughts to Help Guide Us along our Spiritual Path of Reawakening in God** Marty Fall,2022-01-25 The Pocket Book of Truth came forth in its own way in its own time When I began my spiritual path years ago I had no idea that these new to me teachings would turn out to be such a powerful presence in my everyday life Eventually I understood that the thoughts and beliefs being presented to me and at times experienced by me would become this very book This spiritual thought book began as a desire to fill a need for myself At the age of fifty for the first time in my adult life I began a more spiritually oriented path As I explored and began a new to me way of thinking about our existence and experiences in this lifetime I felt that I needed something to help me stay more in tune spiritually to help me stay more spiritually focused The Pocket Book of Truth came about naturally as the answer At the start of my new path I began attending Unity of Savannah Through Unity I learned about a self study spiritual guidebook know as A Course in Miracles Often referred to as The Course A Course in Miracles was inner dictated to Dr Helen Schucman who heard the Voice of Jesus over an approximately seven year period The Course not a religion emphasizes application and experience rather than theory and theology Also as I began to explore spirituality I received a book written by spiritual teacher Gary R Renard Gary s book The Disappearance of the Universe had an immediate and profound life changing impact on my spiritual beliefs DOU as it is often called was a great introduction for me in understanding what A

Course in Miracles and true forgiveness is all about Almost immediately I found myself starting a daily routine that revolved around The Course This included a first thing in the morning practice of reading The Course for twenty minutes or so along with learning how to meditate It was during this period that I made a conscious decision to put God first which changed everything in my life experiences The everyday practice of studying The Course intently and regularly with focused determination to experience truth eventually led me to starting and completing The Course workbook which is a lesson a day for one year The only rule in The Course is to not do more than one workbook lesson a day Conversely one may take as long as necessary to complete a lesson The workbook took me three and one half years to finish but I did complete the workbook with spiritual experiences along the way The idea of the workbook is ultimately to experience the truth of what you already are where you already are and where you will always be regardless of the seemingly real experiences in this worldly lifetime In the initial weeks of this focused study I began writing down thoughts and ideas that resonated with me I personalized many of these ideas simply changing them into a first person format for myself I taped these statements into one of those ever available little pocket sized calendar books and began keeping these thoughts with me In this manner I was able to have these truth thoughts available most all the time Whenever I had a few minutes or more for whatever reason including any waiting type of situation that came along or just having quiet time I used the opportunity as a chance to study and contemplate spiritual thoughts and ideas Over time many of the statements evolved and many came and went Many thoughts stayed in this writing from the very beginning So I offer the Pocket Book of Truth as an assist along the way to awakening to who and what you already are as a way to point towards truth With love and blessings Marty Fall     **Letters on the Evidences, Doctrines and Duties of the Christian Religion Addressed to a Friend** Olinthus Gregory, 1836

**Awakening to the Spirit Within: Eight Paths** Pamela Smith Allen, PhD, 2003-09-12 The premise of Awakening to the Spirit Within is that all beings are connected by a spiritual energy which forms the essence of who they truly are Eight paths which facilitate an awakening to this essence are explored Native American Spirituality Taoism Hinduism Buddhism Kabbalah Jesus and the Christ Within Sufism and The New Thought Movement Practice exercises and references are also included This book highlights some of the unique gifts which various spiritual traditions have to offer our world In addition it explores the mystical threads of connection which underlie them Like the title suggests it also gives ways of listening to guidance from within The author includes messages from her own inner guidance in an effort to illustrate how this may occur Her openness provides more warmth and intimacy than is usually found in such a book In these uncertain times there has been an upsurge of interest in books related to spirituality religion and mysticism People are looking for ways to heal rather than destroy our planet That is why this book and others like it are so timely and important in moving us closer to our shared goal of creating a more peaceful and harmonious world     Christians in the Twenty-First Century George D. Chryssides, Margaret Z. Wilkins, 2014-09-11 Christians in the Twenty First Century examines Christianity as it is understood

and practised both by active followers and those who regard themselves as Christian The book opens with an examination of key Christian concepts the Bible the Creeds the Church and the sacraments and the major traditions of Roman Catholicism Eastern Orthodoxy and Protestantism as well as more recent movements The book continues with an analysis of the challenges presented by the rise of science new approaches to biblical scholarship the rise of fundamentalist movements the ordination of women secularization the interfaith movement and the impact of the electronic revolution     *The Letters to Timothy and Titus* Robert W. Yarbrough,2018-09-25 The Pastoral Letters 1 Timothy 2 Timothy and Titus have made an enduring contribution to understanding the role of pastors in the church With a spirited devotion to the text Robert Yarbrough helps unlock the meaning of these short but rich letters in this commentary In keeping with the character of Pillar New Testament Commentary volumes The Letters to Timothy and Titus offers a straightforward reading of these texts Their primary concerns God salvation and the pastoral task remain central to Yarbrough s thorough and comprehensive exegesis Engaging with the best scholarship and resources Yarbrough shows how these letters are as relevant today as they were to the early Christians     **Letters to a friend ...
