Kerr, 2022-03-28 2022 Bronze Living Now Book Award 2022 Foreword INDIES Book of the Year Award Trauma can feel like a labyrinth twisting on itself like a maze of despair without end or exit This seems particularly true in today s chaotic world of pandemics climate change social conflict and systemic violence Increasingly the conditions of the larger world aggravate if not cause the traumas in our individual lives However as Laura K Kerr explores in this wide ranging collection of essays not only can we heal from trauma but we can use it as an opportunity for growth and transformation changing

ourselves and the world for the better Drawing from her experiences as researcher trauma survivor and psychotherapist she examines various causes of trauma details how to understand and treat trauma s effects and explores the role society plays in activating traumatic defenses Despite the weightiness of the topic Dr Kerr brings hope for lasting positive change As Dr Kerr shows the key lies in removing rigid divides like those between wounded and healer self and society When they are integrated healing becomes transformative and enduring not only for ourselves but for the increasingly traumatized world in which we live
