Thurston, 2024-06-21 A political history of the rise and fall of American debt relief Americans have a long history with debt They also have a long history of mobilizing for debt relief Throughout the nineteenth century indebted citizens demanded government protection from their financial burdens challenging readings of the Constitution that exalted property rights at the expense of the vulnerable Their appeals shaped the country s periodic experiments with state debt relief and federal bankruptcy law constituting a pre industrial safety net Yet the twentieth century saw the erosion of debtor politics and the eventual retrenchment of bankruptcy protections The Political Development of American Debt Relief traces how geographic sectoral and racial politics shaped debtor activism over time enhancing our understanding of state building constitutionalism and social policy     **The History of the Revolution of France. Coleman, 1999 Americans now depend more heavily upon credit than any other society on Earth or any other time in history Borrowing has become a way of life for millions of families and it is hard to imagine a time when charge accounts did not exist Nonetheless it would be a mistake to assume that because a wallet filled with plastic instead of cash is a relatively new phenomenon Americans have not been borrowers and lenders since the colonization of the New World Author Peter J Coleman proves otherwise In one Form or another notes of hand book credit commercial paper mortgages land contracts settlers borrowed to pay their passage from Europe to buy and clear land to build and operate mills to purchase slaves and to gamble and drink Debtors prison awaited those who could not pay their debts and a pauper s grave received the unfortunate who lacked the private means to feed and clothe himself in prison While the debtors prisons described in this book no longer exist the author maintains that our credit oriented society has yet to devise cheap efficient equitable and humane methods of enforcing contracts for debt
