Lives of Illustrious and Distinguished Irishmen James Wills, 1843 *Lives of Illustrious and Distinguished Irishmen, from the Earliest Times to the Present Period, Arranged in Chronological Order, and Embodying a History of Ireland in the Lives of Irishmen* James Wills, 1843 Lives of illustrious ... Irishmen, ed. by J. Wills Irishman, 1843 *Books Ireland*, 2001

Masculinity and Irish Popular Culture Conn Holohan, Tony Tracy, 2015-12-30 Masculinity and Irish Popular Culture Tiger s Tales is an interdisciplinary collection of essays by established and emerging scholars analysing the shifting representations of Irish men across a range of popular culture forms in the period of the Celtic Tiger and beyond **Lives of illustrious and distinguished Irishmen ...** James Wills (D.D.), 1841 Unionism in Modern Ireland R. English, G.

Walker, 1996-09-18 This collection of essays brings together exciting fresh work by young scholars working on vital aspects of modern Irish unionism Its range is broad taking in much material literary political cultural intellectual which has previously been ignored Using new and extensive sources the contributors examine important features of modern unionism and do so in ways which challenge much previous thinking about the subject The book will be of value to scholars working on any aspect of modern Ireland and also to students and to a wider public with an interest in Irish history politics culture and society

Masculinities and Manhood in Contemporary Irish Drama Cormac O'Brien, 2021-12-10 This book charts the journey in terms of both stasis and change that masculinities and manhood have made in Irish drama and by extension in the broader culture and society from the 1960s to the present Examining a diverse corpus of drama and theatre events both mainstream and on the fringe this study critically elaborates a seismic shift in Irish masculinities This book argues then that Irish manhood has shifted from embodying and enacting post colonial concerns of nationalism and national identity to performing models of masculinity that are driven and moulded by the political and cultural practices of neoliberal capitalism

Masculinities and Manhood in Contemporary Irish Drama charts this shift through chapters on performing masculinity in plays set in both the Irish Republic and Northern Ireland and through several chapters that focus on Women s and Queer drama It thus takes its readers on a journey a journey that begins with an overtly patriarchal nationalist manhood that often made direct comment on the state of the nation and ultimately arrives at several arguably regressive forms of globalised masculinity which are couched in misaligned notions of individualism and free choice and that frequently perceive themselves as being in crisis *A New History of Ireland Volume VII* J. R. Hill, 2003-12-04 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VII covers a period of major significance in Ireland s history It outlines the division of Ireland and the eventual establishment of the Irish Republic It provides comprehensive coverage of political

developments north and south as well as offering chapters on the economy literature in English and Irish the Irish language the visual arts emigration and immigration and the history of women The contributors to this volume all specialists in their field provide the most comprehensive treatment of these developments of any single volume survey of twentieth century Ireland
