Webber,2004-10-01 Millions of

Christians worldwide follow the liturgical Christian calendar in their worship services and in their own personal devotions The seasons of the Christian year connect believers of diverse backgrounds and offer the sense of unity Jesus desired Robert Webber believes that we can get even more out of the Christian calendar He contends that through its rich theological meanings the Christian year can become a cycle for evangelism and spiritual formation He offers pastors church leaders and those of the younger evangelical mind set practical steps to help achieve this end including preaching texts and worship themes for Lent Easter Pentecost Advent and Christmas How to Lead Children's Liturgy of the Word Pat Fosarelli,Donna

Eschenauer,Paul Turner,2014-06-02 This essential guide offers valuable insight into how leaders of children s Liturgy of the Word can best meet the developmental needs of children The ABC of Sunday Matters Mark O'Brien,2013-10-01 This book

provides reflections on the Sunday Bible readings in the Roman Catholic Lectionary for Years A B and C of the liturgical cycle. They previously appeared in separate volumes of Sunday Matters published by ATF Theology in the Dominican Series. They have now been combined in this single volume colour coded for easier use and with a revised general introduction and introduction to the Gospel of Matthew. Like the previous volumes this one is intended to assist those preparing homilies and those with a desire to understand a little more deeply the readings used in the Sunday liturgy.

Sunday Matters Mark O'Brien, 2012-12-31. Recently Pope Benedict remarked the quality of homilies needs to be improved. The Pope made this comment in the context of his extended reflection on the recent Synod in Rome 2010 on the word of God in the mission and life of the Church. The homily is an integral part of Christian liturgy. It is an honoured way of bringing the word of God to life such that people are helped to see the relevance of the word in their everyday lives. The homily is also an art form which needs to be practised and developed with skill. It seems to me as a preacher myself that what people are looking for in the homily is an articulate faith filled knowledgeable commentary on the word of God which speaks to their everyday life and experience. People want to see the fire, desire and conviction in the person who preaches. This is a constant challenge. Mark O'Brien here presents his reflections on Year C of the lectionary based on the Gospel of Luke. This is the companion volume to the earlier ones for Years A and B. Mark offers homilists a great service here. In two to three pages or several hundred words he gives an erudite and practical reflection on the word of God for the particular Sunday or feast as a good foundation on which any homilist can then build. Pope Benedict continues: The art of good preaching based on the lectionary is an art that needs to be cultivated. In these short but insightful reflections on the readings of the lectionary Mark makes an excellent contribution to developing the art form of good preaching to the benefit of both those who preach and those who hear them.
