Reflections On Early Christianity:

Reflections on Early Christianity Wallace S. Jungers, 2005-05-01 The main theme of this book is that beautiful letter which we call 1 John. We do not know who wrote it or exactly when it was written. But scholars have a theory that it was written by members of a group of Christians whom they call The Johannine School. These were Christian thinkers who gathered around the Apostle John, some of whom wrote the Gospel of John and Revelation and others of whom wrote this beautiful mystical letter. It opens with a prologue much like the prologue of the Gospel of John which also has its roots in Genesis. We declare to you what was from the beginning. What we have heard. What we have seen with our eyes. What we have looked at and touched with our hands. Concerning the word of life. This life was revealed. And we have seen it and testify to it. And declare to you the eternal life that was with the Father. And was revealed to us. We declare to you what we have seen and heard. So that you also may have fellowship with us. And truly our fellowship is with the Father. And with his Jesus Christ. We are writing these things. So that our joy may be complete. 1 Jn 1:1

Mission in the Early Church Edward L. Smither, 2014-08-28 How did Christian mission happen in the early church from AD 100 to 750? Beginning with a brief look at the social, political, cultural, and religious contexts, *Mission in the Early Church* tells the story of early Christian missionaries, their methods, and their missiology. Edward L. Smither explores some of the most prominent themes of mission in early Christianity, including suffering, evangelism, Bible translation, contextualization, ministry in word and deed, and the church. Based on this survey, modern readers are invited to a conversation that considers how early Christian mission might inform global mission thought and practice today.

Reflections On Early Christianity Wallace S. Jungers, *Reflections on the Early Christian History of Religion - Erwägungen zur frühchristlichen Religionsgeschichte* Cilliers Breytenbach, Jörg Frey, 2012-10-19 *Reflections on the Early Christian History of Religion* documents the results of two recent workshops on Martin Hengel's and Maria Schwemer's first volume of *Geschichte des frühen Christentums: Jesus und das Judentum* (title of vol. 1, Tübingen 2007) and Larry Hurtado's *Lord Jesus Christ: Devotion to Jesus in Earliest Christianity* (Grand Rapids 2003). The contributors, including Hengel himself, focus on problems and possibilities of studying and presenting Christian religion in Roman Antiquity. They discuss distinctive features of these two remarkable publications and some material aspects that illustrate the relationship between the historical study of early Christian religion, religious studies in general, and New Testament studies in particular. Mit den *Erwägungen zur frühchristlichen Religionsgeschichte* liegen die Ergebnisse zweier Fachtagungen vor, die sich mit dem ersten Band der *Geschichte des frühen Christentums* von Martin Hengel und Maria Schwemer (*Jesus und das Judentum*, Tübingen 2007) und Larry Hurtado's *Lord Jesus Christ: Devotion to Jesus in Earliest Christianity* (Grand Rapids 2003) beschäftigt haben. Die Beiträge von Hengel selbst diskutieren Probleme und Möglichkeiten der Erforschung und Darstellung christlicher Religion in der römischen Antike. Sie setzen sich mit den Zugangsweisen dieser beiden Bücher auseinander und zeigen an verschiedenen Sachfragen die Bezüge, die sich bei der historischen Erforschung der frühchristlichen Religion

zwischen Geschichtswissenschaft Religionswissenschaft und Neutestamentlicher Wissenschaft ergeben Light in a Spotless Mirror James H. Charlesworth, Michael A. Daise, 2003-03-01 After the death of Alexander the Great in 323 B C E Jewish scholars especially those in Jerusalem and Alexandria turned increasingly to the eternal questions that define those who reflect on human life These sages sought to comprehend the origin and essence of things and pondered how it was possible to learn and obtain insight Wisdom they came to see was the fashioner of all things who disclosed what is secret and what is manifest Many of these Jewish intellectuals saw Wisdom as the closest being to God In this book five of the world's foremost scholars in the field reflect on the Wisdom traditions in Second Temple Judaism and earliest Christianity Roland Murphy late of Duke University explores the biblical and Jewish wisdom literature and focuses on ways that Jews sought to understand sin and suffering Peter Schfer Princeton University argues that the association of Wisdom Torah and Israel found in biblical literature was taken up much later in the writings of the Rabbinic sages Peder Borgen formerly University of Trondheim Norway examines the similarities in the writings of the Hellenistic Jewish Wisdom teacher Philo of Alexandria and the writer of the Gospel of John D Moody Smith Duke University focuses on the Passion narrative in the Gospel of John as he demonstrates how much John relies on Jewish Wisdom tradition in his gospel James Charlesworth Princeton Theological Seminary examines the Wisdom aspects of some Jewish apocalypses in order to demonstrate that the Gospel of John draws upon both the Jewish Wisdom literature and Jewish apocalypses James H Charlesworth is George L Collord Professor of New Testament Language and Literature at Princeton Theological Seminary director of the seminary's Dead Sea Scrolls Project and co editor of the Trinity Press Faith and Scholarship Colloquies FSC series Michael A Daise is Assistant Professor of Religion at The College of William and Mary and has published articles on the Old Testament Pseudepigrapha and the Dead Sea Scrolls Reflections on Judaism and Christianity in Antiquity Dan Jaffé, Rivkah Nir, Yaakov Teppler, 2021-10-29 This book written by Israeli scholars reflects the centrality of the Parting of the Ways an issue of focal concern to the question where and when came into being the boundary line separating between Judaism and Christianity It is reflective of the diversity within the research community in Israel much like in the field of research worldwide **THE READING**

CULTURE OF EARLY CHRISTIANITY Edward D. Andrews, 2019-04-24 **THE READING CULTURE OF EARLY CHRISTIANITY** provides the reader with the production process of the New Testament books the publication process how they were circulated and to what extent they were used in the early Christian church It examines the making of the New Testament books the New Testament secretaries and the material they used how the early Christians viewed the New Testament books and the literacy level of the Christians in the first three centuries It also explores how the gospels went from an oral message to a written record the accusation that the apostles were uneducated the inspiration and inerrancy in the writing process of the New Testament books the trustworthiness of the early Christian copyists and the claim that the early scribes were predominantly amateurs Andrews also looks into the early Christian's use of the codex book form how did

the spread of early Christianity affect the text of the New Testament and how was the text impacted by the Roman Empire's persecution of the early Christians

Primitive Christianity, by W. Cave, abridged and adapted, with additional reflections John Brewster, 1825 *Primitive Christianity ... Abridged and adapted to modern use, with additional reflections, by John Brewster* William CAVE (D.D.), 1825 Jews and Christians - Parting Ways in the First Two Centuries CE? Jens Schröter, Benjamin A. Edsall, Joseph Verheyden, 2021-08-23

The present volume is based on a conference held in October 2019 at the Faculty of Theology of Humboldt University Berlin as part of a common project of the Australian Catholic University, the Katholieke Universiteit Leuven and the Humboldt University Berlin. The aim is to discuss the relationships of Jews and Christians in the first two centuries CE against the background of recent debates which have called into question the image of parting ways for a description of the relationships of Judaism and Christianity in antiquity. One objection raised against this metaphor is that it accentuates differences at the expense of commonalities. Another critique is that this image looks from a later perspective at historical developments which can hardly be grasped with such a metaphor. It is more likely that distinctions between Jews, Christians, Jewish Christians, Christian Jews etc. are more blurred than the image of parting ways allows. In light of these considerations, the contributions in this volume discuss the cogency of the parting of the ways model with a look at prominent early Christian writers and places and suggest more appropriate metaphors to describe the relationships of Jews and Christians in the early period.
