Reflections of a Heart Waymond Douglas Glover AKA "Wayne,2025-08-19 This is a novel based on a true story about a teenager who took his father s car joyriding one night just for fun He was pulled over and arrested and sent to a detention center for fifteen months and twenty three days Unbeknown to him at this time that his life would never be the same The punishment would leave him bitter for a very long time and his parents absences during his months of imprisonment only fanned the flames The story takes a turn going into his third month inside the detention center after receiving a gift from God a gift of writing After receiving this gift he was able to put light inside a very dark place Even though the gift was a blessing once he was released he suddenly became dysfunctional and he felt it was by design The young man had felt he was the victim of systemic racism and that he had been trapped into a system that had taken his name and had replaced it with a number that would label him for many years to come The months inside the detention center would transform him into a mean and cold hearted individual Soon he would become a career criminal and a two strike felon His brief intermissions in and out of jails and prison turned him into a drug addict and alcoholic as a coping mechanism to get through a day He would receive a rude awakening when he was released from prison the second time His mother had lost her eyesight from diabetics When she became blind this is when the young man began to see

Reflections of a Healing Heart T. Monique,2022-03-27 Healing is a process a personal process that encompasses individual strength behaviors actions and attitudes We get to decide when how and why we complete the healing process Many times we petition for God to speak to acknowledge or to send a sign for the pain challenges and places we face If we listen close enough or pay attention we will find He does send a Word through a scripture person circumstance or our own prayers Unfortunately there are times we simply miss it Times when we overlook the exact thing we asked God for and there are times when we can t recognize God s answer amid our troubles because they feel so loud big painful This compilation of Love Letters Notes of Encouragement Pivot Points and Prayers are a remembrance of God s Word speaking to the challenges pains and places over a young adult life resulting in hope encouragement and connection Through the Love Letters we see how God s love is

revealed and supported by scripture In Notes of Encouragement we find God s word releasing us from the frustrations of disappointment resentment and perceived failed opportunities In Pivot Points we find God s word soothing our decisions discretions and renewing hope Finally in Prayers we find an honest conversation with the Father The reflections within the Love Letters Notes of Encouragement Pivot Points and Prayers acknowledge the hurt which began the healing process We all deserve to heal from past hurts to embrace the possibilities of future happiness Recognizing that the Father will answer that healing is possible and He wants us to be filled with the Fruit of the Spirit is a beautiful phenomenon filled with real hope There is a petition for each of you to lean in to listen for or remember when God spoke directly to your challenge pain and place Be encouraged
