Passionate Impressions in Love's Reflection Cherie Leigh, 2020-12-07 It becomes obvious to anyone who gets to know me that I am a hopeless romantic. I am not sure what instigated my sentimentality over love and romance, but I have an affinity for all things that exhibit the beautiful qualities of passion. The incredible holding power of love should not be taken for granted, even as it can either profoundly entice or greatly elude. The full effects of love's intensity move me with deep appreciation. Some may say that I live in a fantasy world with my notions about romantic love, but I don't let that bother me. I just hop on my magical unicorn and ride off into the sunset. I use my poetry to express intensity of emotions, whether it be to entice, delight, mystify, enlighten, ache or touch. Sometimes even through love's painful experiences, there can be profound beauty taken from it that leaves lasting impressions. For love in all its reflections has much to teach us about its purpose as the most powerful force in existence. Since the beginning of time, as we know it, it has lived and breathed its testimony, serving to inspire. This collection of poetry came together for publication from encouragement from friends and fellow peer poets who believe in me. I have always

enjoyed writing but the past few years have been pivotal times of creativity I have changed from a woman seeking deliverance from pain to a woman experiencing inexplicable passion The obsession of love has become an innate part of my personality that needs to express itself in words I guess you could say I am smitten about anything written about love My hope is for the readers of my poetry to experience an emotional connection or perhaps find release through my various themes of love Some of my love poems take on a tone of spirituality while others embrace aspects of sensuality But all show phases and faces of love in need of expression For as mysterious as love can be it always makes its presence known in one form or another with unmistakable impact Welcome to my world of Passionate Impressions in Love s Reflection *Morning Reflections* Karen Jean Matsko Hood,2014-01-01 Morning is a time to embrace renewed opportunity fresh perspective and an overall sense of rejuvenation Morning Reflections is a collection of powerful and inspirational reading that is dedicated to helping you begin each new day in a positive way Christian and inspirational author and poet Karen Jean Matsko Hood has woven together poems prayers and Biblical verses to fill your soul and spirit with peace and understanding Just like a hearty morning meal strengthens your physical body it is equally important to center your emotions and nourish your spirit with the sure footing that can only come from a personal connection with the Creator Morning Reflections offers enlightenment and wisdom through blending encouraging prose and Scripture passages This truly insightful new book of reflections makes for a perfect bedside companion or as a topic of conversation over the coffee table This book is a wonderful gift to friends and family for daily morning prayer and appreciation of Christ s teachings It is also for those with whom we are given the opportunity to share and experience it **Our Exquisite Journey Through Poignant Reflections and Delightful**

In the Murmuring Trees R. Tirrell Leonard Jr., 2012-11-15 In The Murmuring Trees delves into nature mythology and fantasy through evocative prose and poetry taking readers to a time and place where myths were real and legends walked amongst men It retells classic stories of gods and monsters and mans place within natures grandeur capturing the essence of these timeless tales while instilling in them a modern twist unique to R Tirrell Leonard Jr Imaginative poems and prose of great spirit rich creativity and three dimensional imagery The Columbia Review In The Murmuring Trees 2012 Reviewed By The Editorial Board The Editorial Board of The Columbia Review selects new books and films of interest as well as paid submissions and sponsored reviews from authors publishers directors agents and producers In The Murmuring Trees by R Tirrell Leonard JR is an imaginative volume of poems and prose of great spirit rich creativity and three dimensional imagery Readers of poetry often seek to understand not only the meaning of the words themselves but to perceive who the poet really is One might speculate that Leonard may be revealing himself best with the first line in the poem A Post in Furies Winds I know I differ from the normal view This collection of poems and prose is also a unique exploration of a common sentiment love but here it is to a place as the title of another song reads A Magical Country Dance One cannot miss Mr Leonards deep love for the State of Massachusetts both its people Contemporary and natives and its raw physical beauty land and coast Most of the pieces may fit on one page but many would serve as food for thought for a whole evening And while the poet speaks of losing his voice his writing comes across loud and clear with great charm and natural rhythm Adding to this volumes value for the reader are snippets of true perception and tickling humor For example who among us lovers of poetry dont remember a sleepless night made longer by the crickets singing through the open window driving us near the brink In particular some of Mr Leonards poetry attains the cloak of youthful wit alluding to figures from the sphere of fantasy and the world of magic which would make much of this volume easily accessible and happily enjoyable for younger readers as well In summary this meticulous and beautiful

collection leaves the reader shaken elated and reflective perhaps as the poet concludes the title poem or close to it In
