Description

An esteemed activist invites us to consider the complex idea of abolition as much more than a strategy or a set of tactics—at a deeper level, abolition is an entire political framework, culture, and orientation

Blending history and political theory and weaving in examples from literature, social movements, and his personal life, this book is a useful resource and primer for those interested in fighting for social justice. Guided

Reflections On Liberation Essays On Spirituality And Freedom

Emilie Ashurst Venturi

Reflections On Liberation Essays On Spirituality And Freedom:

Reflections on Liberation Daryl Russell Grigsby, 1985 *Spirituality* Kees Waaijman, 2002 This textbook is a systematic guide to the extensive field of spirituality Kees Waaijman charts the multiform phenomenon of spirituality the spirituality of ordinary people the great spiritual traditions and the force of counter movements From the foundation of this survey he answers questions like What exactly is spirituality What forms can a scholarly approach take Finally the book provides methodic access to the study of spirituality focusing on the following questions Which are the different forms of spirituality and how can we describe them How can spiritual texts be given a reliable reading Which themes can be distinguished in the field of spirituality and what would be a meaningful way to address them What do we mean by spiritual guidance and what can we learn from it This textbook has no equal It is indispensable to scholars wishing to study the subject but also to others who want to learn about spirituality *The Making of American Liberal Theology* Gary J. Dorrien, 2006-01-01 In this first of three volumes Dorrien identifies the indigenous roots of American liberal theology and demonstrates a wider longer running tradition than has been thought The tradition took shape in the nineteenth century motivated by a desire to map a modernist third way between orthodoxy and rationalistic deism atheism It is defined by its openness to modern intellectual inquiry its commitment to the authority of individual reason and experience its conception of Christianity as an ethical way of life and its commitment to make Christianity credible and socially relevant to modern people Dorrien takes a narrative approach and provides a biographical reading of important religious thinkers of the time including William E Channing Ralph Waldo Emerson Horace Bushnell Henry Ward Beecher Elizabeth Cady Stanton and Charles Briggs Dorrien notes that although liberal theology moved into elite academic institutions its conceptual foundations were laid in the pulpit rather than the classroom The Interface of Science, Theology, and Religion Dennis Ngien, 2019-03-07 In celebration of Alister E McGrath s sixty fifth birthday in 2018 this Festschrift aims to highlight him as a lauded scholar who exemplifies an interface of science theology and religion It comprises works by McGrath s theological allies and colleagues from diverse ecclesial homes including Graham Ward Oliver Crisp Tony Lane Sung Wook Chung Randall Zachman Veli Matti K rkk inen Jonathan Wilson Jeffrey P Greenman Robert Kolb Sister Benedicta Ward Michael Lloyd Bethany Sollereder and Patrick Franklin Critical but appreciative is the posture with which these contributors engage the wide range of McGrath s own scholarly pursuits and publications This volume edited by Dennis Ngien covers these themes that are central to the life and witness of the church atonement Christology Trinity eschatology mission Reformation science nature culture evangelism and theodicy there is much to ponder and reap here Readers will join with the contributors and pay tribute to McGrath who has risen to a life of significance as a scientist turned theologian professor author Christian apologist and churchman *Joseph Mazzini. A memoir by E.A.V. With two essays by Mazzini: Thoughts on democracy, and The duties of man* Emilie Ashurst Venturi, 1885

Melodies of a New Monasticism Craig Gardiner, 2018-03-09 The New Monastic Movement is a vibrant source of

renewal for the church's life and mission. Many involved in this movement have quoted Dietrich Bonhoeffer's conviction that the church must recover ancient spiritual disciplines if it is to effectively engage the powers that be. Melodies of a New Monasticism adopts a musical metaphor of polyphony, the combination of two or more lines of music to articulate the way that these early Christian virtues can be woven together in community. Creatively using this imagery, this book draws on the theological vision of Bonhoeffer and the contemporary witness of George MacLeod and the Iona Community to explore the interplay between discipleship, doctrine, and ethics. A recurring theme is the idea of Christ as the *cantus firmus*, the fixed song around which people perform the diverse harmonies of God in church and world, including worship, ecumenism, healing, peace, justice, and ecology. *Changing Views of the Human Condition* Paul W. Pruyser, 1987 **Summer Sermons, Winter**

Thoughts Peter C. Hodgson, 2018-05-31 The summer sermons have been delivered in the Presbyterian Church of Eagles Mere, Pennsylvania, over a period of fifteen years. When someone first arrives in Eagles Mere for the summer, people ask how their winter has been, winter meaning the whole time that has elapsed since the previous summer. In the author's case, winter means Nashville, Tennessee, where he has lived since 1965 when he joined the faculty of Vanderbilt Divinity School, retiring after thirty-eight years. *Winter Thoughts* consists of autobiographical reflections on three topics: lives, theologies, and politics. The lives are those of Peter and Eva Hodgson. The longest section, *Theologies*, describes the various influences and directions the author's work has taken in systematic and historical theology. *Politics* reflects on the decline of the liberal democratic consensus. The whole is loosely held together by an underlying question: How is God efficaciously present in history without violating the fabric of history? *Emancipation Still Comin'* Kortright Davis, 2008-04-01 The Caribbean, awash with sun and water, is a meeting place of many races, religions, and cultures. There, North and South, Latin and Anglo, native Caribbean, black, French, and English, white races and cultures meet. In a religious melting pot, Protestant and Catholic, Christian, Afro-Caribbean, Hindu, and secularist faiths intertwine, cross-pollinate, and go their ways, separate yet together in the divine milieu. Such a place has a rich and revealing story to tell of history, nature, and humanity, of the understanding of freedom, of the meaning and scope of theology itself. The key in Caribbean society, with its experiences of slavery, colonialism, neocolonialism, and structural dependence, is emancipation: the pursuit, proclamation, and practice of human freedom. Emancipation is the key to Caribbean theology as well. This is the focal point of Kortright Davis's work. He introduces the complex tapestry of this unique society: its social and cultural pluralism, its particular strengths and weaknesses, poverty, dependence, alienation, and divisiveness. Davis explores many aspects of Caribbean religion and spirituality, especially the complexities of carnival and its uniquely African soul. He notes too a theological dependency and posits again a unique Caribbean emancipatory theology to establish a theological self-reliance. In emancipatory theology, as in Latin American liberation theology, the source for praxis and reflection is faith linked to historical experience. And the Caribbean experience of continual struggle for identity distinguishes and yet unites Caribbean Christians with Christians everywhere. **Reflection** Michael Zilbering, 2011-03-14

The book Reflection contains a short memoir about the forceful containment of a young Jewish boy in Nazi concentration camps from during the Second World War He is one of millions who went through the burning hell of concentration camps where for the first time he really met up with human grief put down cruelty and fight for survival every day hour and minute of life The lesson of Holocaust about the nature of human evil the need for vigilance and the importance of individual responsibility are needed now more than ever We live in dangerous times when echoes of our past resonate everywhere We are again in the world of war in a world where madmen threaten America and Jews The latter part of the book is a collection of published articles of contemporary political economical and social outlook These writings are relevant in the present just like they were in the past

Discover tales of courage and bravery in is empowering ebook, **Reflections On Liberation Essays On Spirituality And Freedom** . In a downloadable PDF format (*), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.
