

Resistance and Reform

African Americans and some white reformers resisted the limitations of the "New South." Leaders like Booker T. Washington advocated for economic self-improvement and vocational education, while W.E.B. Du Bois pushed for civil rights and higher education.

Despite these efforts, the South remained a region of significant racial and economic inequality.

The Political Economy of Economic

Reform in the Pacific Ron Duncan, 2011-07-01 Over the last several years Vanuatu has become one of the fastest growing economies in the Pacific region driven primarily by tourism construction and aid inflows The achievement of strong economic growth has also occurred on the back of improved economic policy effective fiscal management and improved environment for private sector development While recent gains have been impressive more remains to be done to sustain growth and ensure the benefits are distributed throughout the nation The Government is now on a sound financial footing and is well placed to address key development issues The report discusses options for responding to these needs with a view to helping guide public policy formulation in Vanuatu

Sustaining Administrative Reform in China Through Path Dependence and Creation Yuqing Liang, 2024-02-29 This book looks into the processes sustaining the administrative reform in Chinese local government and the roles of different actors during different phases by tracing a vivid administrative reform process in Shunde district Guangdong province between 2009 and 2014 In 2008 Chinese central government initiated a new round of large scale top to bottom administrative reform mega ministry administrative reform to address the long lasting administrative problems Against this background the reforms in Shunde government county level operated well and sustained for several years which was enlarged to the administrative licensing field and hence influenced China's reforms in the following 10 years Shunde case could allow us a better peep at the factors that contribute to the sustenance of reform The analyses in this book find that sustenance of reform reflects ironically the logics of both path dependence and path creation The past reform trajectories have created a favorable background for further reform to evolve and a receptive ground in which exogenous forces interacted with the local reform minded actors to create the new reform innovations The combination of path dependence and path creation kept local reform afloat
