Middleton, 2022-07-14 Spiritually engaged readers commonly look toward fiction to better understand the depth of a faithful life and Christians are no exception Many followers of Jesus value beautifully written deftly characterized and pulse quickening literary art that seems more satisfying than dry tedious doctrinal textbooks This book surveys 12 pieces of historical fiction that feature notable Christian thinkers They include an illustrated children s book about St Irenaeus of Lyons a novel about Martin Luther s Reformation a screenplay focusing on Dietrich Bonhoeffer and even a story about Pope Francis narrated in popular manga style Rather than arcane literary analyses this book provides thoughtful and sometimes

painful interviews with the authors of the covered works Most interviewees are little known or emerging writers Some have published their work with a church or denominational press others with a major publishing empire or popular print on demand platforms Storytellers reflect on their literary choices and the contexts of their writing sharing what modern Christians can learn from historical religious fiction *Reformation and Everyday Life* Nina J. Koefoed,Bo Kristian Holm,Christopher B. Brown,Günter Frank,Barbara Mahlmann-Bauer,Tarald Rasmussen,Violet Soen,Zsombor Tóth,Günther Wassilowsky,Siegrid Westphal,2023-11-13 The European reformations meant major changes in theology religion and everyday life Some changes were immediate and visible in a number of countries monasteries were dissolved new liturgies were introduced and married pastors were ordained others were more hidden Theologically as well as practically the position of the church in the society changed dramatically but differently according to confession and political differences This volume addresses the question of how the theological liturgical and organizational changes changes brought by the reformation within different confessional cultures throughout Europe influenced the everyday life of ordinary people within the church and within society The different contributions in the book ask how lived religion space and everyday life were formed in the aftermath of the reformation and how we can trace changes in material culture in emotions in social structures in culture which may be linked to the reformation and the development of confessional cultures
