Refuse To Use A Girls Guide To Drugs And Alcohol:

Dads and Daughters Joe Kelly,2003-05-13 Every father can make a huge difference in his daughter s life As the primary male role model in a girl s life fathers influence their daughters in profound ways from how they see themselves to what they come to expect from men and the world at large But men often don t realize the importance of their interactions or may shy away from too close involvement because of their inexperience or conditioning Especially as girls move into adolescence fathers may find themselves feeling distant from their daughters or awkward with the changing dynamic Communication becomes difficult and parenting issues more complicated But this is also the time when daughters most need their fathers to be an even greater presence in their lives *Dads and Daughters* is a tool to bridge that gap and build a rewarding and joyful father daughter relationship From father to father and with insights from many other dads Joe Kelly shows men how they can strengthen their relationships with their daughters and explores the tremendous rewards this relationship can bring Starting with a self assessment quiz titled How Am I Doing as My Daughter s Father dads can immediately see what kind of role they play in their daughter s life To educate fathers and offer solutions when problems arise *Dads and Daughters* then offers thoughtful coverage of the most pivotal issues today s girls face such as sex and dating body image alcohol and drugs media culture and violence money and responsibility and the future In doing so he both illuminates the culture our daughters live in and shows fathers how to guide their daughters toward rewarding healthy lives **Refuse to Use** Ann Kirby-Payne,1999
