Gender Violence in Ecofeminist Perspective Gwen Hunnicutt, 2019-09-23 This book aims to begin an eco centered eco feminist informed discussion about the ways in which our relationship to nature is bound up with gender patriarchy and violence Ecofeminist scholars study the interconnections between gendered relationships of domination among humans between humans and between humans nonhumans and the earth It is in this ideological and structural tangle between humans and the environment that a deeper understanding of gender violence is possible Ecofeminism offers analytical possibilities for understanding a logic of domination which sustain a whole host of problems including the interrelated oppressions of gender violence and exploitation of the more than human life world In this book Gwen Hunnicutt brings into dialog ecofeminism and gender violence Ideological components such as speciesism and the belief that the earth and its nonhuman inhabitants are ours to exploit inform a host of other social practices including interpersonal violence A portion of this book is devoted to exploring the ways in which patriarchy is foregrounded by another hierarchy human domination over nature Thus gender violence stems from a logic of domination that is built on the domination of nature and the domination of the Other as nature As this blueprint of oppression repeats itself where there are vectors of difference the chapters ultimately connect these oppressions by showing the inextricable bind of violence against humans and the more than human life world This book will serve as a resource for scholars activists and students in sociology gender violence and interdisciplinary violence studies critical animal studies environmental studies and feminist and ecofeminist studies

The Cowboy's Last Rodeo Jeannie Watt, 2018-09-11 Shane Marvell's career as a rodeo rider is ending far too soon He doesn't have a plan B so during his last season he's all in determined to win as much prize money as possible even if it means riding injured and taking more risks than he should Ella Etxeberri has always played it safe so when her life still takes a bad turn despite her caution she wonders if it isn't time to see what she's been missing While researching risk behaviors in rodeo riders she meets Shane Marvell a cowboy who merits additional study of the personal variety Just as Ella is hitting the point to embrace risk Shane is pulling back He knows Ella's all in approach is born of curiosity and whim He's not what she wants forever and perhaps Ella is one risk he can't allow himself to take
