Rise Of The Modern West:

Historians Debate the Rise of the West Jonathan Daly, 2014-07-11 How and why did Europe rise to world pre eminence Providing an overview of this central historical conundrum of modern times Historians Debate the Rise of the West enables students to grasp major scholars evaluations of the biggest picture of all how Western civilization fits into modern world history Most historians who write in this area subscribe to a combination of interpretations set forward by scholars of the field like David Landes Jared Diamond or Kenneth Pomeranz But it is often difficult to understand the position they are coming from and for readers to understand clearly how Europe made the transition from merely one of many developing civilizations to the world s first industrial power In this volume Jonathan Daly introduces us to the main interpretations of Europe s rise that have been proposed over the past half century and presents the views of these historians and schools of scholarship advocating for each point of view and letting each author speak for him or herself through the inclusion of brief textual selections Also included are interesting biographical details for each scholar as well as a list of further reading for each chapter and a collection of maps An ideal introduction for students of world history

The Rise of Western Power Jonathan Daly, 2021-01-14 In this second edition of The Rise of Western Power Jonathan Daly retains the broad sweep of his introduction to the history of Western civilization as well as introducing new material into every chapter enhancing the book s global coverage and engaging with the latest historical debates The West s history is one of extraordinary success no other region empire culture or civilization has left so powerful a mark upon the world Daly charts the West s achievements representative government the free enterprise system modern science and the rule of law as well as its misdeeds two World Wars the Holocaust imperialistic domination and the Atlantic slave trade Taking us through a series of revolutions he explores the contributions of other cultures and civilizations to the West s emergence weaving in historical geographical and cultural factors The new edition also contains more material on themes such as the environment and gender and additional coverage of India China and the Islamic world Daly s engaging narrative is accompanied by timelines maps and further reading suggestions along with a companion website featuring study questions over 100 primary sources and 60 historical maps to enable further study

Hist West Educ:Modern West V3 James Bowen, 2013-10-08 Volume Three of three this is a reprint of James Bowen s A History of Western Education originally published by Methuen in the 1970s Volume Three The Modern West Europe and the New World The final volume covers the period of educational dissent which became conspicuous in the early seventeenth century and reached crisis proportions in the late twentieth when the dominant ideologies of progress and equality generated at the beginning of the nineteenth century were questioned for the first time on a widespread popular scale

The Role of the Arab-Islamic World in the Rise of the West Nayef R.F. Al-Rodhan, 2012-08-21 This book takes a fascinating look at the role of the Arab Islamic world in the rise of the West It examines the cultural transmission of ideas and institutions in a number of key areas including science philosophy humanism

law finance commerce as well as the Arab Islamic world s overall impact on the Reformation and the Renaissance The Rise of Western Rationalism Wolfgang Schluchter,1985-11-07 Western rationalism nature of course and genesis was Max Weber s dominant historical interest It was the grand theme of his two world historical studies Economy and Society and The Economic Ethics of the World Religions His studies of the relationships among economy polity law and religion are lasting scholarly achievements In this book Wolfgang Schluchter presents the most systematic analysis and elaboration ever attempted of Weber s sociology as a developmental history of the West **Rise of the Modern West** Meenaxi Phukan,2000-02-01 This book deals with the social and economic history of Europe from the decline of Feudalism in the late middle ages to the beginning of Industrial Capitalism **The Rise of Music in the Ancient World, East and West** Curt Sachs,2008-01-01 An eminent scholar explores the evolution of music from the ecstatic singing of early civilizations to the development of more structured styles in Egypt East Asia Rome and other regions *The Rise of Modern Chinese Thought* Hui Wang,2023-07-18 Wang Hui asks what it means for China to be modern and for modernity to be Chinese Is there a rupture between tradition and modernity in China How has Confucian thought evolved Did China become modern in the Middle Ages A deep intellectual history The Rise of Modern Chinese Thought revises our senses of both modernity and Chinese philosophy **The Rise and Fall of the Caucasian Race** Bruce Baum,2008-07 Originating in 1795 the term Caucasian identifies both the peoples of the Caucasus Mountains region as well as those thought to be Caucasian This text explores the history of the term and the category of the Caucasian race more broadly in light of the changing politics of racial theory and identity Max Weber's Comparative-Historical Sociology Today Stephen Kalberg,2017-03-02 Bringing together the author s major scholarly work on Weber over the last thirty years Max Weber s Comparative Historical Sociology Today addresses major themes in Weber s thought whilst also examining the mode of analysis practised in his comparative historical writings By exploring Weber s concepts and procedures the individual chapters seek to convey the rigor of his research strategies demonstrating their uniqueness In this light this study proceeds to identify as incomplete and then reconstruct the analyses undertaken by Weber of the rise of Confucianism in China the caste system in India and monotheism in ancient Israel The analysis then advances to the modern era utilising Weber s research procedures to explain the origins of four independent phenomena the singularity of the American political culture the cultural foundations of modern citizenship cultural pessimism Kulturpessimismus in nineteenth century Germany and the location of work in contemporary German society A dialogue with a variety of recent major schools is pursued throughout this volume Offering a rich examination of the major themes in Weber s sociology alongside a reconstruction of his mode of analysis and application of his approach this book will appeal to scholars around the world with interests in social theory German and American societies cultural sociology political sociology the sociology of knowledge comparative historical sociology and the sociology of civilizations

The Rise of Science in Islam and the West John W. Livingston,2017-12-14 This is a study of science in Muslim society

from its rise in the 8th century to the efforts of 19th century Muslim thinkers and reformers to regain the lost ethos that had given birth to the rich scientific heritage of earlier Muslim civilization The volume is organized in four parts the rise of science in Muslim society in its historical setting of political and intellectual expansion the Muslim creative achievement and original discoveries proponents and opponents of science in a religiously oriented society and finally the complex factors that account for the end of the 500 year Muslim renaissance The book brings together and treats in depth using primary and secondary sources in Arabic Turkish and European languages subjects that are lightly and uncritically brushed over in non specialized literature such as the question of what can be considered to be purely original scientific advancement in Muslim civilization over and above what was inherited from the Greco Syriac and Indian traditions what was the place of science in a religious society and the question of the curious demise of the Muslim scientific renaissance after centuries of creativity The book also interprets the history of the rise achievement and decline of scientific study in light of the religious temper and of the political and socio economic vicissitudes across Islamdom for over a millennium and integrates the Muslim legacy with the history of Latin European accomplishments It sets the stage for the next momentous transmission of science from the West back to the Arabic speaking world of Islam from the last half of the 19th century to the early 21st century the subject of a second volume

The Rise and Triumph of the Modern Self Carl R. Trueman, 2020-10-26 Modern culture is obsessed with identity Since the landmark Obergefell v Hodges Supreme Court decision in 2015 sexual identity has dominated both public discourse and cultural trends and yet no historical phenomenon is its own cause From Augustine to Marx various views and perspectives have contributed to the modern understanding of self In *The Rise and Triumph of the Modern Self* Carl Trueman carefully analyzes the roots and development of the sexual revolution as a symptom rather than the cause of the human search for identity This timely exploration of the history of thought behind the sexual revolution teaches readers about the past brings clarity to the present and gives guidance for the future as Christians navigate the culture's ever changing search for identity
