Short Stirling Pino Lombardi, 2017-04-21      Big Wings Philip Kaplan, 2005-09-30 In the history of aviation there have been many attempts to produce aircraft of extraordinary proportions to expand the limits of technology and create new performance standards With few exceptions the early attempts did not become the successes envisaged until post World War II when such aircraft as the Boeing B 52 long range heavy bomber and the Boeing 747 Jumbo Jet airliner changed the face of aviation in both the military and civil roles Big Wings is a well researched highly informative and sometimes nostalgic look at the sixteen most significant giants of the air Each chosen aircraft is introduced and its raison d tre explained then follows an in depth review of the successful and failed technical aspects of the design its operational history first hand accounts from those that had flown the aircraft and finally some startling facts and statistics The aircraft selected are as follows Military Douglas B 19 Boeing B 29 Consolidated B 36 Northrop B 49 and Boeing B 52 Airliners Bristol Brabazon Boeing 747 and Airbus A380 Heavy Lifters Messerschmitt Me323 Consolidated XC 99 Lockheed C5 and Antonov AN 225 Flying Boats Dornier Do X Martin JRM Mars Hughes HK 1 and Saunders Roe Princess      **The Weekly Notes** Frederick Pollock, 1894      **Flying Magazine** , 1942-09      **Short Stirling Units of World War 2** Jonathan Falconer, 2018-04-19 Of the RAF s trio of four engined heavy bombers in World War 2 the mighty Short Stirling was the first to enter service in August 1940 From its first raid in February 1941 the Stirling was at the forefront of the British night bombing offensive against Germany before unacceptably high losses forced its relegation to second line duties later in the war In its modified form as the Mark IV the Stirling fulfilled vital roles with the RAF as a paratroop transport and glider tug on D Day at Arnhem and on the Rhine crossing as well as flying countless Special Duties operations over Occupied Europe and Norway Its last gasp was in 1948 49 when a handful of Mk Vs were acquired by the Royal Egyptian Air Force to bomb Israel in the First Arab Israeli War Containing numerous first hand combat accounts from the crews that flew the bomber and detailed profile artwork Short Stirling Units of World War 2 uncovers the history of one of the RAF s greatest World War 2 bombers      **Aerospace** , 1990      *The Aeroplane* , 1913      *The Aeronautical Journal* , 1990      **RAF Duxford** Richard C. Smith, 2008-08-01 A pictorial account of the airfield s 90 year history from WWI to housing the largest collection of war and peacetime vintage aircraft in Europe Established in 1917 to train Royal Flying Corps aircrew during WWI Duxford was also the base for two United States Aero Squadrons 137 and 159 and by the end was a mobilization airfield for three DH9 day bomber squadrons During the 1920s and 30s expansion continued apace with three fighter squadrons 19 29 and 111 and the presence of many illustrious names including Harry Broadhurst Johnny Kent and Frank Whittle The first aerodrome in Fighter Command to receive the Spitfire in August 1938 Duxford rose to supreme prominence during the early part of the Second World War Part of 12 Group detailed to protect the industrial midlands and north east Britain the base s role during the Battle of Britain was mired in controversy due to the Big Wing tactics of Douglas Bader and Trafford Leigh Mallory From October 1942 to the end of the

war Duxford was essentially an American base for variously the 8th Air Force 357th and 78th Fighter Groups Postwar the RAF operated jets from the station until 1961 when the future was put on hold Managing to avoid the ignominy of becoming a prison or sports complex the Imperial War Museum finally came to the rescue making Duxford into today's premier international air museum Richard Smith's research has led him to numerous previously unpublished collections from which he has unearthed some marvelous images of historical significance A must for the collector historian or veteran of the times

**Defence of Europe by Sikh Soldiers in the World Wars** Mohindra S Chowdhry, 2018-03-13 Defence of Europe by Sikh Soldiers in the World Wars is a fascinating history of the much forgotten Sikh contribution to the two World Wars Containing much new research and modern ideas the book explores how an alliance with Britain enabled Sikhism to spread across the globe and Sikhs to step forward as global partners Mohindra S Chowdhry begins his book by exploring the Sikh revolt against the Mughal Empire He demonstrates how this revolutionary movement proved not that Sikhs were opposed to Islam but that Sikhism stood for basic human rights liberty and freedom to follow the religion of their choice The book also shows how Sikhs eventually allied themselves to the British after first battling it out with them in the hills and plains of the Punjab He describes the commonality between the two cultures and their ways of looking at life This common ground developed into loyalty a bond which gave the British access to a superb fighting force during the two World Wars and an alliance which enabled the Sikh brotherhood to enter onto the world stage and has resulted in their spread across the globe Mohindra concludes with the argument that it is the duty of Sikhs inspired by deep rooted principles of justice and equality to take up the challenges wherever they are to participate in the mainstreams of political and social life **Air Corps News Letter**
