Short Stories By Saki:

The Short Stories of Saki (H.H. Munro) Saki, 1968 *The Complete Short Stories of Saki* Saki, H. H.

Munro, 2023-12-15 *The Complete Short Stories of Saki* is a masterful anthology that encapsulates the wit, irony, and incisive social commentary characteristic of the Edwardian era. This collection presents a diverse array of short stories ranging from satirical societal critiques to gothic tales and addresses timeless themes such as human absurdity, societal norms, and the veneer of civilization. The narrative style, varying from sharp humorous anecdotes to darker, more reflective pieces, ensures a nuanced exploration of early 20th-century tensions and delights. Standout tales challenge prevailing Edwardian values with their subversive humor, offering an invaluable insight into both the period and Saki's unique literary voice. Saki, the pen name of H. H. Munro, draws from his diverse experiences as a journalist and novelist, his writings rich with cultural and historical references. His particular brand of storytelling is often aligned with the literary movements of satire and modernism, yet he remains distinctly Saki in his approach. The stories in this collection draw from Munro's worldly perspective, infusing each narrative with a critical, often cynical view of contemporary society. As such, these voices combine to provide a penetrating look at the human condition, blending humor and horror in a way that only Saki could. For the discerning reader, *The Complete Short Stories of Saki* is an invitation to explore a multitude of perspectives and styles within a single volume. This collection not only entertains but also educates, offering insights into the social fabric of its time while remaining profoundly relevant today. It is an essential addition to any literary enthusiast's library, as it fosters a dialogue between Saki's diverse works, highlighting their enduring influence and relevance.

76 Short Stories Of Saki Saki, 2002 Saki's stories blend laughter and savagery with startling effect. Whimsical in their plots and lightheartedly cynical in their tone, these stories are also given a darker side by Munro's memories of his unhappy childhood with his aunts.

The Short Stories of Saki

Saki, 1930 **The Short Stories of Saki** Saki, 2012-12-01 The short story is often viewed as an inferior relation to the novel. But it is an art in itself. To take a story and distill its essence into fewer pages while keeping character and plot rounded and driven is not an easy task. Many try and many fail. In this series, we look at short stories from many of our most accomplished writers. Miniature masterpieces with a lot to say. In this volume, we examine some of the short stories of Saki. Hector Hugh Munro was born in Akyab, Burma, on the 18th December 1870. With the death of his mother, Hector was sent to England to live with his grandmother and aunts and endured a strict family upbringing. Educated at Pencarwick School in Exmouth, Devon, and at Bedford School, it was only on a few occasions that he was able to travel with his father to fashionable European spas and tourist resorts. In 1893, Hector followed his father into the Indian Imperial Police, where he was posted to Burma. Two years later, having contracted malaria, he resigned and returned to England. In England, he started his career as a journalist, writing for the newspapers the *Westminster Gazette*, *Daily Express*, *Bystander*, *Morning Post*, and *Outlook*. In 1900, Munro's first book, an historical study, appeared: *The Rise of the Russian Empire*. From 1902 to 1908, Munro worked as a foreign

correspondent for The Morning Post in the Balkans Warsaw Russia and Paris he then gave that up and settled in London His postings gave him a large amount of inspiration for his Reginald stories as well as his perhaps more famous stories of the macabre and unusual His wit general mischievousness and delight in turning things on their head brought him great acclaim In November 1916 when sheltering in a shell crater near Beaumont Hamel France he was killed by a German sniper His alleged last words Put that bloody cigarette out He was 45 Many of these stories are also available as an audiobook from our sister company Word Of Mouth Many samples are at our youtube channel <http://www.youtube.com/user/PortablePoetry> feature mhee The full volume can be purchased from iTunes Amazon and other digital stores They are read for you by Bill Wallis

The stories are taken from *Reginald* 1904, *Reginald in Russia* 1910, *The Chronicles of Clovis* 1911, *Beasts and Super Beasts* 1914, and *The Toys of Peace* 1923.

The Unrest-Cure Saki, 2013-12 The *Unrest Cure* is a short story by Saki. Saki's recurring hero Clovis Sangrail, a sly young man, overhears the complacent middle-aged Huddle complaining of his own addiction to routine and aversion to change. Huddle's friend makes the wry suggestion of the need for an unrest cure, the opposite of a rest cure to be performed if possible in the home. Clovis takes it upon himself to help the man and his sister by involving them in an invented outrage that will be a blot on the twentieth century.

Hector Hugh Munro 18 December 1870 – 13 November 1916 better known by the pen name Saki and also frequently as H. H. Munro was a British writer whose witty, mischievous and sometimes macabre stories satirized Edwardian society and culture. He is considered a master of the short story and often compared to O. Henry and Dorothy Parker. Influenced by Oscar Wilde, Lewis Carroll and Kipling, he himself influenced A. A. Milne, Noel Coward and P. G. Wodehouse. Beside his short stories which were first published in newspapers as was customary at the time and then collected into several volumes, he wrote a full-length play *The Watched Pot* in collaboration with Charles Maude, two one-act plays, a historical study *The Rise of the Russian Empire* (the only book published under his own name), a short novel *The Unbearable Bassington*, the episodic *The Westminster Alice*, a Parliamentary parody of *Alice in Wonderland* and *When William Came* subtitled *A Story of London Under the Hohenzollerns*, a fantasy about a future German invasion of Britain. Mary was the daughter of Rear Admiral Samuel Mercer and her nephew Cecil William Mercer became a famous writer as Dornford Yates. Charles Munro was an Inspector General for the Burmese Police. In 1872 on a home visit to England, Mary was charged by a cow and the shock caused her to miscarry. She never recovered and soon died. Charles Munro sent his children, including two-year-old Hector, to England where they were brought up by their grandmother and aunts in a strict puritanical household. Munro was educated at Pencarwick School in Exmouth, Devon, and at Bedford School. On a few occasions when he retired, Charles travelled with Hector and his sister to fashionable European spas and tourist resorts. In 1893 Hector followed his father into the Indian Imperial Police where he was posted to Burma like George Orwell. A generation later, two years later, having contracted malaria, he resigned and returned to England. At the start of World War I, although 43 and officially over age, Munro refused a commission and joined the 2nd King Edward's Horse as an ordinary trooper, later transferring to the 22nd Battalion, the Royal Fusiliers, where he rose to the rank of lance sergeant. More than once he returned to the battlefield when officially still too sick or injured. In November 1916, when sheltering in a shell crater near Beaumont Hamel, France, during the Battle of the Ancre, he was killed by a German sniper. His last words, according to several sources, were: "Put that bloody cigarette out." After his death, his sister Ethel destroyed most of his papers and wrote her own

account of their childhood Munro was homosexual but at that time in the U K sexual activity between men was a crime The Cleveland Street scandal 1889 followed by the downfall of Oscar Wilde 1895 meant that that side of Munro s life had to be secret Politically Munro was a Tory and somewhat reactionary in his views
