Short Studies In Literature:

A Short Course in Literature John S. Hart, 2023-10-20 Reprint of the original first published in 1873 **Short Studies in Literature** Hamilton Wright Mabie, 1891 *Short Studies in Literature (Classic Reprint)* Hamilton Wright Mabie, 2015-07-07 Excerpt from Short Studies in Literature That these brief chapters may prove helpful to readers of books who desire to become students of literature is the hope which the writer ventures to cherish in the face of defects more obvious to him than to the most unsympathetic critic These studies are not critical but interpretative they are neither exhaustive nor inclusive they are mainly hints and suggestions Each chapter might be elaborated into a volume If they serve to indicate the leading lines of literary development the fundamental divisions and distinctions the deep and vital tendencies they will accomplish the end for which they were written That they represent deep convictions concerning the significance of literature rather than a purely critical attitude will be apparent to the most indifferent reader About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Philippine Short Stories, 1925-1940 Leopoldo Y. Yabes, 1997 This anthology puts together some sixty six short stories in English written by Filipino authors within forty years following the introduction of English in the Philippines Originally published in periodicals now long out of circulation they have been given this more enduring form through the efforts of Leopoldo Y Yabes a well known literary critic scholar and educator Students of Philippine literature will find this anthology invaluable as a reference and will appreciate the discussion and information provided by the editor in his introductory essays

A Short Introduction to Social Research Matt Henn, Mark Weinstein, Nick Foard, 2005-12-15 This book introduces students and researchers to the key ideas and issues that inform research practice Authors Matt Henn Mark Weinstein and Nick Foard provide a clear and easy to understand roadmap to help the reader plan their research project from beginning to end This book is perfect for use on introductory methods courses and is also an invaluable guide for the first time researcher embarking on their own small scale research project It is the intention of this book to prepare students and new researchers for their research project Brilliantly written throughout this is your essential guide to the theory of research the practice of research and the best ways to plan and manage your research *Artificial Intelligence in Short* Ryan Richardson Barrett, 2024-04-14 Artificial Intelligence in Short is a poignant book about the fundamental concepts of AI and machine

learning Written clearly and accompanied by numerous practical examples this book enables any capable reader to understand concepts such as how computer vision and large language models are created and used while remaining free of mathematical formulas or other highly technical details The tonality used in this book is unassuming and full of levity The book maintains an even pace that assists in conceptualizing the complex ideas of machine learning effectively while maintaining a clear but generalized focus in the narrative Chapters develop through concrete concepts of computer science mathematics and machine learning before moving to more nuanced ideas in the realm of cybernetics and legislature Artificial Intelligence in Short discusses the most up to date research in AI and computer science but also elaborates on how machines have come to learn and the historical origins of AI The concepts of AI are outlined in relation to everyday life just as AI has become a tool integrated into devices used daily by many people New Critical Approaches to the Short Stories of Ernest Hemingway Jackson J. Benson,1990-12-12 This companion volume reflects current scholarship and draws together essays that were published during the past decade or written for this collection Back cover **Library of Congress Subject Headings** Library of Congress,2006 *A short history of English literature.
