*Life of the Trail 3* Emerson Sanford, Janice Sanford Beck, 2009 *Life of the Trail* is a fascinating series that guides today's hikers and armchair travelers through the stories of historic routes in the Canadian Rockies. When authors Emerson Sanford and Janice Sanford Beck began backpacking together nearly 20 years ago they often wondered whose footsteps they were retracing and how today's trails through the Rockies came to be there. In *Life of the Trail* they share their findings with adventurers and history buffs alike. *Life of the Trail 3: The Historic Route from Old Bow Fort to Jasper* starts at the remains of Peigan Post originally built in 1832 and still visible today, located at the west end of the Morley Reserve. This entire route is now a contemporary road, but early in the 20th century the section north of Lake Louise was the main trail heading north and was very busy with pioneers, adventurers, and explorers. The trail has been divided into three sections: Old Bow Fort to Lake Louise, Lake Louise to Sunwapta Pass, and Sunwapta Pass to Jasper. **Gilleen Daffern's Kananaskis Country Trail**

**More Scrambles in the Canadian Rockies - Second Edition** Andrew Nugara, 2014-05-12 The second edition of *More Scrambles in the Canadian Rockies* contains 49 new routes in addition to the 65 of the first edition, along with a large collection of full colour photos and maps. The regions of Waterton, The Castle, and Kananaskis are covered comprehensively. Between this edition and Alan Kane's *Scrambles in the Canadian Rockies*, all of the major named peaks in Waterton National Park are outlined. The Castle too is thoroughly covered, including a handful of terrific ascents around Middle Kootenay Pass and a new section for multi-peak baggers titled *The Ultimate High Level Ridgewalks*. Several scrambles in other areas, Crowsnest, Banff, Highway 93 North, and Yoho, are likewise new to this edition. Andrew Nugara outlines several different routes to each summit and includes alternative and easier descents. Encompassing a range of levels of difficulty, the second edition of *More Scrambles in the Canadian Rockies* will appeal to anyone familiar with the first edition of this book and Alan Kane's best-selling classic guidebook, as well as to hikers looking for a more challenging route to the top of a mountain. In addition to route descriptions, the book contains general information on scrambling, suggested trips for specific conditions, details about each specific area, and single day multi-peak trips. *Adventure Guide to the Canadian Rockies* Brenda Koller, 2011-12-01 We travel to grow our Adventure Guides show you how.
