Representing Wine - Sensory Perceptions, Communication and Cultures Rosario Caballero, Ernesto Suárez-Toste, Carita Paradis, 2019-10-21 Wine culture is a complex phenomenon of increasing importance in modern society and it combines the joys of wine appreciation with the frustrations of trying to verbally communicate sensory impressions While wine appreciation is traditionally characterized as joyously convivial in its social dimension sensory impressions remain eminently private This contrast explains why the language used to represent wine or winespeak is the object of increasing

crossdisciplinary interest This book analyzes the many different forms many of the different forms of representing wine in present day society with a special emphasis on winespeak starting from the premise that such study demands a genre approach to the many different communities involved in the wine world producers critics merchants consumers By combining the methodologies of Cognitive Linguistics and discourse analysis the authors analyze extensive real life corpora of wine reviews and multimodal artifacts labels advertisements documentaries to reflect on the many inherent difficulties but also to highlight the rich and creative figurative strategies employed to compensate for the absence of a proper wine jargon of a more unambiguous nature **Subject Guide to Books in Print** ,2001 **The Persistent Observer's Guide to Wine** J. P.

Bary,2013-01-15 An engaging introduction to wine that concentrates on the reader as much as the wine pointing out the most common pitfalls as it proceeds step by step through the essential skills everyone needs to have in order to select serve and serve wine successfully Primary emphasis is given to teaching the reader how to identify the taste of different wines according to grape variety climatic conditions and wine making style how to select serve and store wines and how to match them with various foods and occasions Through a series of ten engaging conversations the author coaches the reader through the steps needed to become a consummate wine consumer concentrating on common stumbling blocks pitfalls and sources of confusion that aren't covered in other introductory wine books Instead of presenting a curriculum in a categorical fashion this fast paced witty and literate book shows why trusting your own instincts is more important than studying diagrams of the tongue pouring over aroma wheels or memorizing the minute details of all the leading estates It explains how and why labels ratings and reviews can be misleading how to see through various marketing ploys and what the most persistent misconceptions are about serving and storing wine Readers learn how to read between reviewer's lines how to make excellent pairings with little fuss and how to converse with sommeliers and retailers in a way that tells whether they are trying to help or giving them the run around Without giving you any tables charts or listings of regions and producers or requiring you to memorize a glossary of definitions before you can understand what the author is saying this book communicates all the essential skills you need to fall in love with wine and become a very savvy consumer Filled with unique insights and down to earth practical wine advice this book lets the reader understand what the others are really trying to say
