Should Infants Be Baptized:

Infant Baptism and the Covenant of Grace Paul King Jewett, 1978 This is a print on demand book and is therefore non returnable Paul Jewett author of the creative and highly provocative book *Man As Male and Female* here turns his critical attention to the practice of infant baptism Jewett does not accept the traditional covenant argument for baptizing infants and this book explains why he believes this argument fails Infant baptism is not a subject which can be isolated For as Jewett would have his readers understand one s view on this issue is integrally related to one s view of the sacraments in general and thereby to the whole doctrine of the church and salvation Thus it is understandable that what appears to be a minor theological question has had such divisive effects on the church A discussion of the historical source of infant baptism begins Jewett s critique and introduces such issues as the distinction between infants and children the silence of certain early church fathers on the subject infant communion and catechetical instruction The second and major portion of this book examines the theological issue focusing specifically on the covenant argument which suggests that baptism replaces circumcision as the sign of the covenant and thereby is given to infants This argument Jewett claims fails to take into account the historical character of revelation and contains certain contradictions Jewett concludes with a creative defense of believer baptism one which is theologically responsible and which recognizes the profound truths of covenant theology [Infant Baptism](#) John P. Sartelle, 1985-07

It Takes a Church to Baptize Scot McKnight, 2018-08-21 The issue of baptism has troubled Protestants for centuries Should infants be baptized before their faith is conscious or does God command the baptism of babies whose parents have been baptized Popular New Testament scholar Scot McKnight makes a biblical case for infant baptism exploring its history meaning and practice and showing that infant baptism is the most historic Christian way of forming children into the faith He explains that the church s practice of infant baptism developed straight from the Bible and argues that it must begin with the family and then extend to the church Baptism is not just an individual profession of faith it takes a family and a church community to nurture a child into faith over time McKnight explains infant baptism for readers coming from a tradition that baptizes adults only and he counters criticisms that fail to consider the role of families in the formation of faith The book includes a foreword by Todd Hunter and an afterword by Gerald McDermott **SHOULD**

I GET MY BABY BAPTIZED Ben Kniskern, 2013-03-31 Should I get my baby baptized Is christening a baby the right thing to do If you are asking these questions it shows that you have a genuine concern for your child s future a future that will be in serious jeopardy if you as a parent are not careful to make wise decisions on your child s behalf The fact is infant baptism is only the first in a long line of critical choices that you will have to make in the foreseeable future These decisions will determine what kind of person this little baby you are holding in your arms will ultimately become as well as their eternal destiny Having a child makes you a parent and parents in God s eyes are responsible for training their child in the teachings of the Lord This book first helps you understand God s teaching on the subject of baptism and then moves on from there to

Infant Baptism God's Ordinance Michael Harrison, C. Matthew McMahon, 2016-05-30 Is this just another book on infant baptism No It is possibly the best succinct yet comprehensive work on the subject ever written by a puritan It was originally a longer series of sermons that Harrison preached to his congregation many of whom were Baptist at the time At their request he placed his thoughts into a concise treatise that covers all the main points needful in understanding the biblical position of infant inclusion in the Covenant of Grace and infant baptism Harrison's work is so acute in its biblical presentation of the truth of Scripture that the reader cannot be but left in awe of his masterful exactitude to God's mind on the issue of infant inclusion in the Covenant of Grace and the application of the sign of the covenant to every visible member in the church He gives the reader an introductory lesson on the Covenant of Grace and those parties involved by way of its membership and then proceeds to teach the reader why infants are to be baptized Harrison deals hermeneutically with 9 biblical arguments on the issue two of which are his most important foundational chapters setting the stage for the rest of the book He also shows the danger of shutting infants out of the kingdom of heaven and answers all the main objections to Antipaedobaptist theology on the issue He ends the work with a chapter on the right mode in which baptism should take place along with a chapter on applying the truths of the study to the life of the members of the covenant community Without sounding clichéd this work is among the top works ever written on the subject and in my estimation is irrefutable The unbiased reader will have no issues with Harrison's biblical exposition and logic driven inference It is a powerhouse puritan work that every Paedobaptist ought to read for support and every Antipaedobaptist ought to read to untangle their dispensational theology Harrison says that Antipaedobaptism is to be justly abhorred as false doctrine and proves this to the reader beyond a reasonable doubt This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions **The Baptism of Infants a reasonable service, etc. By Micaiah Towgood** Micaiah TOWGOOD, 1765 *Should I Get My Baby Baptized?* Ben Kniskern, 2013-03 Should I get my baby baptized Is christening a baby the right thing to do If you are asking these questions it shows that you have a genuine concern for your child's future a future that will be in serious jeopardy if you as a parent are not careful to make wise decisions on your child's behalf The fact is infant baptism is only the first in a long line of critical choices that you will have to make in the foreseeable future These decisions will determine what kind of person this little baby you are holding in your arms will ultimately become as well as their eternal destiny Having a child makes you a parent and parents in God's eyes are responsible for training their child in the teachings of the Lord This book first helps you understand God's teaching on the subject of baptism and then moves on from there to share proven Christian child raising techniques that will help you raise a

Should Infants Be Baptized Introduction

In the digital age, access to information has become easier than ever before. The ability to download Should Infants Be Baptized has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Should Infants Be Baptized has opened up a world of possibilities. Downloading Should Infants Be Baptized provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Should Infants Be Baptized has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Should Infants Be Baptized. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Should Infants Be Baptized. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Should Infants Be Baptized, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Should Infants Be Baptized has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
