She's headed into the summer with a broken heart and zero social life. So even though her parents plan to spend the summer trapped on their sailboat, should make Clem break out in hives, she doesn't really mind the chance to float away for a while. Even if it means most of her social interaction will be with her nine-year-old sister. Then she meets James at one of their stops on the Great Loop, a classic sailing track in the US. He and his dad are sailing the same track, and he's just the distraction Clem needs. But will he be able to break down Clem's walls and heal her broken heart? Told in alternating chapters that chronicle the year that broke Clem's heart and the summer that healed it, *Unbreak My Heart* is a wonderful dual love story from magazine writer, editor, and rising star Melissa Walker.
