Desberg,Jeffrey Davis,2017-06-07 There is a feeling of pure delight that comes from laughing out loud while watching a hilarious movie or a TV show Yet as funny as these lines may be they are the work of people you will never see The magic behind any comedy hit begins when an idea is hatched in the mind of a comedy writer and is then put down on paper And while few of us are privy to this fascinating process for writers Peter Desberg and Jeffrey Davis the challenge of observing and understanding how comedy is born has culminated in a unique new book *Now That s Funny* Desberg and Davis provide an intimate look into the minds of twenty four of Hollywood s funniest comedy writers who have given us such shows as *Saturday Night Live* *Monk* *Everybody Loves Raymond* *The Simpsons* *Frasier* *Maude* *Home Improvement* *Valerie* *Modern Family* *Cheers* *There s Something about Mary* *The Honeymooners* *Suddenly Susan* *Newhart* *Sabrina the Teenage Witch* *Archie* *Bunker s Place* *The Tracey Ullman Show* *Wings* *Who s The Boss* and more How do you get to see the creative wheels turn The authors premise was simple Using a Q and A format they provided each writer with a story idea and let them run

with it Each of the writers was told there were no rules no boundaries and no limits Because everyone started with the same concept the authors could see how some writers jumped in and began creating while others asked lots of questions how some writers stuck closely to the premise while others turned it on its head What emerges is an entertaining look illuminating and hilarious in turn at the creative process behind hit TV shows and movies If you re one of the millions who have enjoyed watching the work of comedy writers here is an opportunity to go behind the scenes and see the madness unfold Now that s funny Poultry, Garden and Home ,1907 Producing for the Screen Amedeo D'Adamo,2020-03-27 Producing for the Screen is a collection of essays written by and interviews with working producers directors writers and professors exploring the business side of producing for film and television In this book over 30 industry professionals dispel myths about the industry and provide practical advice on topics such as how to break into the field how to develop nurture and navigate business relationships and how to do creative work under pressure Readers will also learn about the entrepreneurial expectations in relation to marketing strategies for contending with the emotional highs and lows of producing and money management while pursuing producing as a profession Written for undergraduates and graduates studying filmmaking aspiring producers and working producers looking to reinvent themselves Producing for the Screen provides readers with a wealth of first hand information that will help them create their own opportunities and pursue a career in film and television
