Show and then Tell Kent Humphreys, Davidene Humphreys, 2000-09-01 Sharing Christ with others is considered by most to be one of the most difficult tasks in Christianity But we are called to share Christ with everyone in our sphere of influence One of the main reasons why people don't share Christ is because they don't really know Him Kent and Davidene Humphreys offer Show and Then Tell a book not simply about evangelism but about allowing Christ to work through us to affect those around us Invitation to Evangelism Timothy K. Prologue to Studies in the Fourth Gospel Riku P. Tuppurainen, 2021-05-25 The Fourth Gospel both blesses and betrays It blesses readers who engage with its message but it may betray those who read it nonchalantly The notion that the Fourth Gospel is easy to understand is an enduring myth This volume takes readers on a heuristic journey to discover the Fourth Gospel's unique theological aspects problematic historical matters inimitable literary features and various interpretive approaches using an accessible format and easy to read language The purpose of this publication is to enable readers to appreciate the Fourth Gospel's wide horizon so necessary to understand its narratives in their historical and narrative contexts Like the prologue of the Fourth Gospel that introduces and gives perspective on how readers should approach the rest of the Gospel similarly this volume introduces and gives perspective to studies in the Fourth Gospel The text is divided into three parts which examine its independent theology and argumentation various outstanding issues and its interpretation respectively This volume is suitable for a wide readership from Bible study groups to pastors and from undergraduate to graduate students

Liturgical Spirituality Philip H. Pfatteicher, 1997-04-01 Well known liturgical scholar and writer Philip Pfatteicher turns his attention in this book to liturgical spirituality as distinct from liturgy and spirituality which assumes two essentially separate disciplines Liturgical spirituality is a holistic concept bringing together both liturgy and spirituality with reference to the interior life of the spirit that is formed and nurtured by the church's liturgy Pfatteicher acknowledges that there are other kinds of spirituality that appear to flourish apart from and in addition to the liturgy for example the spirituality of the desert ascetics of the early centuries of Christianity the devotion of the Religious Society of Friends and many forms of meditation and spiritual discipline such as the Spiritual Exercise of Ignatius Loyola The focus of the present volume however is on the spiritual life as formed by the liturgy the ordered form of Christian worship East and West Catholic and Protestant In addition to the form of worship one might experience on a Sunday morning Liturgical Spirituality guides the reader through and into the experience of daily prayer the Easter Vigil the Church Year the Eucharist hymns and music Baptism and even church architecture as hallowing space In 1955 Louis Bouyer published an admirable study entitled *Liturgical Piety* written before Vatican II and its far reaching reforms that fundamentally changed the entire Western church Philip Pfatteicher has now taken up the challenge of expanding upon Bouyer with a current and invigorating study not of liturgical piety but of liturgical spirituality Philip Pfatteicher is Professor of English at East Stroudsburg University in Pennsylvania a frequent writer and lecturer on liturgical issues and author of *A Dictionary of Liturgical Terms* and *The School of the Church Worship and Christian Formation* both published by Trinity Press
