J. Edgar Hoover: The Man and the Secrets Curt Gentry, 2001-02-17 The cumulative effect is overwhelming Eleanor Roosevelt was right Hoover's FBI was an American gestapo *Newsweek* Shocking grim frightening Curt Gentry's masterful portrait of America's top policeman is a unique political biography From more than 300 interviews and over 100 000 pages of previously classified documents Gentry reveals exactly how a paranoid director created the fraudulent myth of an invincible incorruptible FBI For almost fifty years Hoover held virtually unchecked public power manipulating every president from Franklin D Roosevelt to Richard Nixon He kept extensive blackmail files and used illegal wiretaps and hidden microphones to destroy anyone who opposed him The book reveals how Hoover helped create McCarthyism blackmailed the Kennedy brothers and influenced the Supreme Court how he retarded the civil rights movement and forged connections with mobsters as well as insight into the Watergate scandal and what part he played in the investigations of President John F Kennedy and Martin Luther King Jr **Marilyn Monroe** Donald Spoto, 2001 Spoto's biography of Hollywood icon Marilyn Monroe makes use of over 150 interviews and more than 35 000 pages of previously sealed files including Monroe's diaries letters and other

personal and revealing documents The book reveals new details of every aspect of her life from her guarded childhood and her relationships with men and marriages to her mysterious death Spoto comments on previous books about Marilyn and puts to rest questions regarding Monroe's connection with the Kennedys The DD Group David Marshall,2005-03 I am told that the first two names I recognized as a child were President Eisenhower and Marilyn Monroe Hopefully for my parents sake this was after I understood who Mama and Daddy were To be truthful I'm not at all certain By the time the newsman interrupted my cartoons on Sunday morning August 5 1962 to tell me that Marilyn Monroe had been found dead of an overdose at the age of 36 she had become such a natural part of my daily life that I could not quite grasp the concept of a world where she was not still out there going about her surely incredible life To even begin to attempt to understand that someone as big as Marilyn Monroe could actually die threw my seven year old brain into serious philosophical doubt I kept a close watch on my parents my teachers even my close friends The way I saw it if Marilyn Monroe could die everyone was up for grabs author David Marshall from the introduction to The DD Group An Online Investigation Into the Death of Marilyn Monroe **JFK and the Masculine Mystique** Steven Watts,2016-11-08 A cultural examination of the popularity and allure of the thirty fifth president reveals how Kennedy was tailored to appeal to the public of his time explaining how he symbolized postwar views about American masculinity *Finding Zsa Zsa* Sam Staggs,2019-07-30 For decades the Gabor dynasty was the epitome of glamour and fairy tale success But as biographer film historian and Gabor family friend Sam Staggs reveals behind the headlines is a true story more dramatic fabulous and surprising than their self styled legend would have you believe In 1945 after barely escaping Hitler's invasion of Hungary followed by liberation of the country by the Red Army three members of the Gabor family Jolie her ex husband Vilmos and their daughter Magda arrived in New York City In Hollywood their other daughters Zsa Zsa and Eva had worked feverishly throughout the war years to secure their rescue from the Nazis plan to exterminate the Jews Stepping off the boat Jolie the iron willed matriarch already had a golden future mapped out for her sharp witted cosmopolitan beauties Over the next six decades with twenty three husbands between them suave All About Eve star George Sanders would wed both Zsa Zsa and Magda scores of lovers and roller coaster rides in film television theater and business the elegant yet gloriously bawdy addictively watchable Gabors carved a niche in the entertainment industry that made them world famous pop culture icons But beneath the artifice of Dior and diamonds was another side to the story they never revealed the whole truth This first verifiable history of the Gabors casts a startling new light on these extraordinary women Finding Zsa Zsa reveals the tumultuous and often unforgiven battles between mother and daughter sister and sister wife and husband Eva's bearded romance with Merv Griffin that allowed them both to seek same sex lovers Zsa Zsa's involuntary confinement in a mental hospital her life long struggle with bipolar disorder and her last unconsummated marriage to the manipulating faux prince Frederic von Anhalt Here too is the untold story of Zsa Zsa's daughter Francesca Hilton a gifted photographer who eschewed the Gabor lifestyle and paid a sad price for her

independence The story of family patriarch Vilmos Gabor who returned to Hungary only to be trapped behind the Iron Curtain reads like a Cold War spy thriller Culled from new interviews with family colleagues and confidantes and the unpublished memoirs of the author's friend Francesca Hilton Finding Zsa Zsa finally introduces fans to the Gabor family they never knew including many never before seen photos It's a riveting outrageously funny bittersweet and affectionately honest read of four women who were vulnerable tough charitable endlessly fascinating and always glamorous to a fault **Godless** Anthony Summers,2012-11-06 The updated bestselling biography based on over six hundred interviews and the inspiration for the Netflix documentary The Mystery of Marilyn Monroe Marilyn Monroe born in obscurity and deprivation became an actress and legend of the twentieth century romantically linked to famous men from Joe DiMaggio to Arthur Miller to John F Kennedy But her tragic death at a young age under suspicious circumstances left behind a mystery that remains unsolved to this day Anthony Summers interviewed more than six hundred people laying bare the truths sometimes funny often sad about this brilliant troubled woman The first to gain access to the files of Monroe's last psychiatrist Summers uses the documents to explain her tangled psyche and her dangerous addiction to medications He establishes after years of mere rumor that President Kennedy and his brother Robert were both intimately involved with Monroe in life and in covering up the circumstances of her death Written and updated by a Pulitzer Prize nominee who has authored works on JFK J Edgar Hoover and the 9/11 attacks this investigation of an iconic star's brief life and early death is remarkable The ghost of Marilyn Monroe cries out in these pages The New York Times Netflix's The Mystery of Marilyn Monroe will cement this work as the definitive biography of the unforgettable woman **Presidential Sex** Wesley O. Hagood,1998 With profiles on Bill Clinton Thomas Jefferson FDR JFK Lyndon Johnson and Eisenhower this book describes the impact that freewheeling sexual behavior has had upon first families election campaigns political careers and the nation itself **Murder Orthodoxies: A Non-Conspiracist's View of Marilyn Monroe's Death** Donald R. McGovern,2018-05-04 Perhaps no one's death has stirred more interest controversy and theories than Marilyn Monroe's August 4 of 1962 In Murder Orthodoxies author Donald R McGovern analyzes and examines the many theories that Monroe was murdered by a host of curious characters from the middle Kennedy brothers to brutal gangsters to aliens McGovern separates fact from fiction and theory from outlandish rumor He addresses and debunks the usual allegations related to Monroe's death the secrets recorded in her little red diary her scheduled whistle blowing press conference the murder plots by organized crime and the brothers Kennedy and the fatal injection of drugs along with many others In Murder Orthodoxies McGovern restores logic and sanity to the investigation of Monroe's death His thesis is based upon the premise that the engines of conspiracies are started and fueled by opinion not by facts His credible conclusions are based on logic science toxicology and forensic evidence **Marilyn** Lois Banner,2012-08-02 As one of the founders of the field of women's history Lois Banner reveals Marilyn Monroe in the way that only a top notch historian and biographer could Banner appreciates the complexities of Monroe's personal life in the context

of her achievements as an actor singer dancer comedian model and courtesan

Child Pornography Ian O'Donnell, Claire Milner, 2012-12-06 This book explores the enduring appeal of child pornography and its ramifications for criminal justice systems around the world It is based on an extensive review of academic literature and newspaper coverage a trawl of websites frequented by those with a sexual interest in children a survey of how police investigate these offences examination of prosecutors decisions and interviews with judges It provides a framework for understanding the contemporary nature of this problem especially the harms it causes its intimate relationship with new technologies and the challenges it poses to law enforcement authorities The internet plays a pivotal role Its sheer size the anarchic way it grows the lack of any boundaries to its expansion and its disregard for national borders make it a legal environment without parallel An unwavering focus on the threat of sexual abuse has contributed to the emergence of a context where routine dealings with children are viewed through a paedophilic lens This can have the unfortunate consequence of distracting attention from more urgent concerns such as poverty and neglect which make children vulnerable to sexual exploitation In this way an emphasis on the sexualisation of children could be said to aggravate the problem that it sets out to address The book provides a comprehensive analysis of child pornography issues in all of their complexity

including legal psychological criminal justice and social perspectives presents significant volume of original empirical data gathered from police prosecutors and judges includes new qualitative and quantitative information set against a background of shifting international developments The analysis is explicitly comparative draws on a variety of sources including support groups for paedophiles newspaper coverage of court cases involving child pornography victim testimony and police operations

Our Good Name J. Phillip London, 2010-11-30 The Crisis That Rocked a Country and a Company In April 2004 an illegally leaked U S Army report thrust CACI an information technology company into the international spotlight by casting suspicion on a CACI employee for being either directly or indirectly responsible for the mistreatment of detainees at Abu Ghraib prison in Iraq At the same time pictures from the abuses were shown on national television and tarnished anyone associated with Abu Ghraib including CACI What ensued was a media frenzy rarely seen by any company in recent decades The media twisted the unsupported allegations into a guilty verdict without regard for the facts or the truth creating a damning public perception of CACI *Our Good Name* recounts how CACI battled to defend itself against erroneous and malicious reports by a rampaging media how it responded to the wide ranging government investigations and how it overcame misplaced anger and criticism that put the company's dedicated employees and excellent reputation even its future at risk *Our Good Name* is CACI's story of facing one of the biggest scandals in recent history and coming out honorably with its head high
