headphones This worked too The truth was that everything worked but some children learned easier and faster with one method than with another Since I did not have an accurate way to diagnose which child learned best with each method of presentation I used them all I found that instead of arguing which was best that everyone benefited from a wide variety of materials and techniques I would emphasize one for a few weeks and then go to another It was very effective In ABCs I discuss each approach and how I used it My spelling method was very briefly discussed in the magazine THE INSTRUCTOR in 1980 It is easy to do and the children love it Especially the days they get to Challenge Dr Rose They look up words in any dictionary and I have to try and spell it They have to give me the same clues that I give them every day They must pronounce it correctly give me the number of letters in the word break it into syllables and give the number of letters in each and give me the definition With those clues I can spell almost any word but they love to stump me which they do Besides spelling they learn new words while they use a dictionary After years of frustration trying to put on plays I began to write my own I had experienced the frustration of long plays with a huge cast so every child had some lines I was tired of screaming at the children who were bored inattentive and got into mischief because they were waiting around to say their lines I had academic work for them but the action on the stage was distracting and I was busy as THE Director My plays we

The
Abc's of Children's Sermons Melanie Barton,2012-09 Children s sermons are often inadequately prepared understood maybe only by the adults and leave the youth wanting something to which they can relate Because children take what you say literally the stories need to be brief to the point and use simple and age appropriate words Leaders need to get and stay on the children s eye level This book will help you do that by offering a written sample story related to one of the week s lectionary passages An accompanying auditory example is told on the CDs Each lesson tells you what props are needed The storyteller is encouraged to include some of their own personal walk with God to make the sermonettes come alive These tools will prepare you to plan ahead to present a relevant effective message that the boys and girls will not only learn from but will come back wanting to hear more
