Crump, 2022-12-30 From the manger of Jesus Christ to the 21st century this encyclopedia explores more than 2 000 years of Christmas past and present through 966 entries packed with a wide variety of historical and pop culture subjects Entries detail customs and traditions from around the world as well as classic Christmas movies TV series specials and animated cartoons Arranged alphabetically by entry name the book includes the historical background of popular sacred and secular songs as well as accounts of beloved literary works with Christmas themes from such noted authors as Charles Dickens Louisa May Alcott Hans Christian Andersen Pearl Buck Henry Van Dyke and others All things Christmas are available here in one comprehensive volume God Is Not a Boy's Name Lyn Brakeman, 2016-03-02 Lyn Brakeman was among the first women to enter the ordination process in the Episcopal Church just after the General Convention voted in 1976 that women could be priests The bishop of her diocese had voted against ordaining women priests and hospitality towards female aspirants was guarded at best So why would a forty year old institutional naif suburban housewife and mother of four enter such unfriendly territory to seek priestly ordination at a time when her personal life was in chaos Things would have been easier had she been a man and had she not read Betty Friedan not been headed for divorce and not engaged in sins beginning with a How did she manage to stay this course Brakeman offers no easy answers but tackles difficult issues addiction death and grief divorce the nature of priesthood church politics Christian feminism and Jesus the Christ with candor Her story is held together by her spiritual connection to the voice of God from within and her growing conviction that the nature of divinity is gender free hence theological language in sanctuary and classroom must reflect this truth in a balanced way **The United Presbyterian** ,1909 *Oh, Your God!* Joshua Kelly, 2016-01-05 This book is not just for atheists but for antitheists for people who celebrated the writing of Christopher Hitchens and miss his voice Making the provocative assertion that the entire enterprise of organized religion is a thing for which the world and our species would have been better without Oh Your God follows in the footsteps of the material observations of Lucretius Epicurus and Democritus and the more recent antitheistic arguments of Christopher Hitchens and Richard Dawkins Drawing from timeless philosophers modern debates historical events and current social climes Joshua Kelly illustrates the shameful and debilitating damage religion has caused and continues to cause whether to our psyches our bodies our societies or our world Citing the murders of Nigeria s witch children the subversion of sexual emancipation the tethers of slavery the attacks of September 11 the pseudomorality of monotheistic mythology the subjugation of women and much more he provides an abundance of damning evidence to back up his claims Only by

acknowledging and grappling with the real and potential dangers of religion he argues will we be able to thrive and develop as a species

Dispensational Truth Clarence Larkin, 2021-07-27

Dispensational Truth is the Rev Clarence Larkin's famous book on dispensationalism with his beautifully drawn black and white charts. A must-have book for any student of dispensationalism; the book contains more than 115 charts, maps, and drawings. The result of thirty years of study, *Dispensational Truth* is a gold mine of information on prophetic truth for the busy pastor, evangelist, Bible teacher, and everyone who loves God's Word. In fact, Larkin's charts have been called the gold standard of pre-tribulation knowledge. A trained draftsman, Larkin diagrammed what he read during his Bible studies. From his drawings and charts, the study of God's Word has enriched generations of those who seek illumination and clarification regarding history, prophecy, and the future of mankind. This book has sold thousands of copies since it was first published in 1920.
