Giacomazzo, 2023-02-15 An entertaining yet candid examination of the popular sketch show In Living Color When the pilot for In Living Color aired for the first time on April 15 1990 America had never seen anything like it And they loved it Over five seasons the show broke racial cultural and comedy boundaries creating unforgettable sketches that dealt almost exclusively with Black subject matter In Living Color A Cultural History celebrates the iconic show and its creators while also providing a conscientious examination of the sketches themselves Bernadette Giacomazzo reveals how the show successfully tackled topics that are still salient today from diversity in Hollywood and workplace racism to mass incarceration and blackfishing while other sketches have not aged guite so well Giacomazzo also looks at how the show helped break the careers of Jamie Foxx Jim Carrey and David Alan Grier amongst others and how its most infamous sketches such as Fire Marshall Bill Homey the Clown East Hollywood Squares and Men on Film helped shape comedy in the twenty first century In Living Color was one of the few sketch shows of the 1990s that effectively tackled racial and social issues with humor It did so more successfully than Saturday Night Live ever did because unlike the long standing late night show In Living Color had a largely Black writer s room This cultural history finally gives the influential show and its creators the recognition they deserve for their role in changing the face of television Staging the Blues Paige A. McGinley, 2014-09-10 Singing was just one element of blues performance in the early twentieth century Ma Rainey Bessie Smith and other classic blues singers also tapped joked and flaunted extravagant costumes on tent show and black vaudeville stages. The press even described these women as actresses long before they achieved worldwide fame for their musical recordings In Staging the Blues Paige A McGinley shows that even though folklorists record producers and festival promoters set the theatricality of early blues aside in favor of notions of authenticity it remained creatively vibrant throughout the twentieth century Highlighting performances by Rainey Smith Lead Belly Sister Rosetta Tharpe Sonny Terry and Brownie McGhee in small Mississippi towns Harlem theaters and the industrial British North this pioneering study foregrounds virtuoso blues artists who used the conventions of the theater including dance comedy and costume to stage black mobility to challenge narratives of racial authenticity and to fight for racial and economic justice
