Compulsory Subjects* ,      *Black Mamba* John Ruganda, 2005      **Otherness and Pathology** Andrew Nyongesa, 2021-12-24 Scholars have problematized otherness and madness in diverse ways There are those who hold that otherness is madness in itself of which leading voices are Michel Foucault and Gregory Reid Other scholars contradict these voices and single out madness as a clinical condition that arises from strands of othering such as political gender class age and racial Frantz Fanon is the leading voice of this school of thought that demonstrates how othering destroys the psyche of the marginalised groups This book extends Fanon's thesis with regard to madness in selected works of African fiction Whereas Fanon stops at conceptualisation of the nexus between othering and madness in this book the authors incorporate the fragmented self which is equally disabling      **New Horizons in English 3** ,      *New Horizons in English 4* ,

**Postmodern Reading of Contemporary East African Fiction** Andrew Nyongesa, 2024-02-29 This book likens writers' incessant focus on racism negative ethnicity patriarchy and social stratification in societies to a naïve physician who prescribes analgesics to treat symptoms while the underlying cause of the disease seethes in the blood In the same way persons who consistently blame their reckless conduct and shabbiness miss the point if they do not transform the actual cause of the problem the mind While most literary scholars problematise gender disparities racial and political othering oppression environment degradation education matters poor parenting and governance they tend to disregard the root cause modernism This book finds a gap in this grey area to address the authentic cause of the symptoms that most literary writers and scholars treat Pertinent modernist tenets such as bureaucracy the nation state systematisation and rationality and dualism are at the heart of racism corruption and other aforementioned symptoms It is the contention of this study that postmodernism offers a comprehensive understanding of modernism to mitigate its effects on society      **Black Mamba** ,
