The Ladies' Companion ,1869 *The Land Beyond the Portal* J. S. Bailey,2011-07 As Laura placed her left foot on the floor something clicked and a low humming vibration filled the room Suddenly she was surrounded by an intense blinding white light and she was gone It s a dark snowy night when Laura awakens at the bottom of a staircase with a horrible headache and no idea how she got there To make matters worse she is alone in the house snowed in by a blizzard with no way to call for help While exploring the house in a desperate attempt to trigger the return of her memory she discovers a small room beneath the basement She steps inside and an unknown force instantly transports her to a mysterious pastoral land She finds a quaint village that at first glance seems like a peaceful place but Laura soon learns that peace is merely an illusion Why are terrible rumors circulating about the village s leader Why do the villagers worship a sinister deity who bears no resemblance to her own powerful and loving God Most importantly will she ever remember who she is and find her way home In her quest for answers she uncovers a myriad of forbidden secrets that might keep her trapped in*The Land Beyond the Portal* **Sharpe's London Magazine of Entertainment and Instruction for General Reading** ,1860

Shrouds Have No Pockets Chad Kelleen, 2024-11-21 Crossing the bleak empty wasteland of the Arizona desert three figures are driven by greed and the promise of a fortune in stolen Army gold Years ago the mysterious Liv Clark hid the treasure after the heist but her plans unraveled when the Army caught her and locked her away Then there's Juan Diaz a man addicted to violence who reluctantly broke Liv out of prison not out of loyalty but because he needs her to find the gold Finally there's Peccary a reclusive hermit driven by selfishness and contempt for the human race Liv desperate to escape both the prison and Diaz finds herself at the mercy of this enigmatic outsider uncertain whether he even understood what mercy meant Shaped by the unforgiving wilderness of a desolate West and consumed by their own greed the three trek through blistering heat and barren rock formations Suspicion and tension simmer beneath the surface as they close in on their prize until it all comes to a head on a nameless plain in the middle of nowhere where fate delivers its final blow In his trademark lean and clear style Kelleen brings to life all the dust sweat heat greed and hatred in this gripping short story If you like your westerns set in the blistering desert sun but served cold this one is for you
