Shroud Of Midnight Sun:

Shaman or Sherlock? Gina Macdonald, Andrew F. Macdonald, 2001-11-30 Fictional depictions of Native American concepts of justice crime and the investigation of crime are explored in this original work Shaman or Sherlock explores depictions created by Native American authors themselves as well as those created by outsiders with mainstream agendas The most successful of these writers fuse authentic Native American culture with standard genre conventions thus providing an appealing empathetic view of little understood or underappreciated groups as well as insight into issues of cross cultural communication Dealing with such significant concepts as acculturation regional diversity and assimilation this unique study evaluates over 200 detective stories Though the crime novel began in Europe as a manifestation of Enlightenment rationality and scientific methodology the Native American detective story moves into the realm of the spiritual and intuitive often incorporating depictions of non material phenomena Shaman or Sherlock explores how geographical and tribal differences degrees of assimilation and the evolution of age old cultural patterns shape the Native American detective story

The Ark, The Shroud, and Mary Philip Gardiner, 2007-02-16 Why do the Ark of the Covenant Mary's reliquary box and Jesus Coffin all have the same imagery Was the Ark the container of the Covenant the Ten Commandments or the Chalice Does the image of the Shroud of Turin contain a bioelectric field These questions and others will be explored in The Ark The Shroud and Mary Author Philip Gardiner recently won the acclaim of both scholars and the reading public with The Serpent Grail which united three of the most mysterious objects known to man the Grail Elixir and Philosophers Stone Now in this unique and thought provoking work Gardiner proves that the Ark of the Covenant the Shroud of Turin and Mary are united in ways never before imagined Travelling across the world from Rome to India Portugal to Egypt Gardiner uncovers the trail of the Ark and finds that it does not lead to Ethiopia as many believe but instead in a direction that nobody could have imagined The trail of the Ark takes Gardiner on a hunt into the very heart of an ancient secret society with clandestine meetings in far off lands Uniting the myth tradition and language of the Ark with the Shroud of Turin Gardiner then goes on to re date it reveal how it was made and identify whose image it actually recreates Through his new found contacts in the world of secret societies Gardiner then shows how this incredible secret was protected by a dual brotherhood throughout time and was the secret source of the enlightenment spoken of by numerous orders from the Sufis to the Knights Templar The Ark The Shroud and Mary outshines The Da Vinci Code for the simple reason that it is the factual story of one man's fight to uncover the truth

Meyerhold at Work Paul Schmidt, 2014-12-15 Not a mirror but a magnifying glass such in the poet Mayakovsky's words was the theater of Vsevolod Meyerhold The first to insist on the primacy of the director's role indeed the first to conceive of it as a role this passionately dedicated Russian director tore down the fourth wall and forced the actors and audience together into one inescapable

community of experience Yet Meyerhold recorded few of his theories in writing and the intensity and brilliance of his work must be recaptured through the actors and artists who helped create the performances Focusing on Meyerhold's postrevolutionary career Paul Schmidt has assembled in this book journals letters reminiscences and of special interest actual rehearsal notes that build a fascinating intimate picture of Meyerhold as a theorist and as a man Included are Meyerhold's frantic notes to his teacher friend and belle noire Stanislavsky detailed descriptions of how he trained his actors in biomechanics and memories by such students as Eisenstein and such friends as Pasternak and Ehrenburg One chapter deals with Meyerhold's never realized conception of Boris Godunov while another describes his direction of *Camille* which starred Zinaida Raikh his wife and which played its 725th and last performance on the day Stalin's government liquidated Meyerhold's theater Paul Schmidt's introduction and headnotes enhance our understanding of Meyerhold as a pioneer of modern theater
